## **Black American Women:**

**A Black Women's History of the United States** Daina Ramey Berry, Kali Nicole Gross, 2020-02-04 The award winning Revisioning American History series continues with this groundbreaking new history of Black women in the United States Ibram X Kendi the perfect companion to An Indigenous People's History of the United States and An African American and Latinx History of the United States An empowering and intersectional history that centers the stories of African American women across 400 years showing how they are and have always been instrumental in shaping our country In centering Black women's stories two award winning historians seek both to empower African American women and to show their allies that Black women's unique ability to make their own communities while combatting centuries of oppression is an essential component in our continued resistance to systemic racism and sexism Daina Ramey Berry and Kali Nicole Gross offer an examination and celebration of Black womanhood beginning with the first African women who arrived in what became the United States to African American women of today A Black Women's History of the United States reaches far beyond a single narrative to showcase Black women's lives in all their fraught complexities Berry and Gross prioritize many voices enslaved women freedwomen religious leaders artists queer women activists and women who lived outside the law The result is a starting point for exploring Black women's history and a testament to the beauty richness rhythm tragedy heartbreak rage and enduring love that abounds in the spirit of Black women in communities throughout the nation [Black Women in America](#) Darlene Clark Hine, Elsa Barkley Brown, Rosalyn Terborg-Penn, 1993 This is a comprehensive guide to the lives of 641 individual black women most of whom are significant on a national level There are also entries to more than 150 general topics and organizations involving Black women Listed alphabetically the signed entries have bibliographies and many have photographs The length of the articles vary from one or two columns to multiple pages especially for the topical entries Entries are balanced and easily comprehensible The appendices include a chronology a classified bibliography including a directory of research centers and the biographies classified by occupations There is an extensive index Recommended as a first purchase among the new biographical sources about Black women for high school libraries [Notable Black American Women](#) Jessie Carney Smith, 1992 Biographical essays on 500 Afro American women that combine life histories with information on the key people places institutions and events that have had an impact on these women [Notable Black American Women](#) Jessie Carney Smith, Shirelle Phelps, 1992 Arranged alphabetically from Alice of Dunk's Ferry to Jean Childs Young this volume profiles 312 Black American women who have achieved national or international prominence [African American Women and Sexuality in the Cinema](#) Norma Manatu, 2014-01-10 The representation of African American women is an important issue in the overall study of how women are portrayed in film and has received serious attention in recent years Traditionally women of color particularly African American women have been at the margins of studies of women's on screen depictions or excluded altogether This work focuses exclusively on the sexual objectification of African American women in

film from the 1980s to the early 2000s Critics of the negative sexual imagery have long speculated that control by African American filmmakers would change how African American women are depicted This work examines sixteen films made by males both white and black to see how the imagery might change with the race of the filmmaker Four dimensions are given special attention the diversity of the women's roles and relationships with men the sexual attitudes of the African American female characters their attitudes towards men and their nonverbal and verbal sexual behaviors This work also examines the role culture has played in perpetuating the images how film influences viewers perception of African American women and their sexuality and how the imagery polarizes women by functioning as a regulator of their sexual behaviors based on cultural definitions of the feminine

*Black American Women's Writings* Eva Lennox Birch, 2016-07-01 This work discusses a range of novels short stories and essays by black American women writers from the Harlem Renaissance to the present time It begins with a survey of 19th century black women's slave narratives early sentimental novels and autobiographies and then focuses on six writers Zora Neale Hurston Paule Marshall Audre Lorde Toni Morrison Alice Walker and Maya Angelou The text shows how these writers have developed the preoccupations themes and narrative strategies of their literary ancestors

*Black Working Wives* Bart Landry, 2000 Bart Landry's *Black Working Wives* is a very comprehensive account of the family revolution in America I learned a great deal reading this thoughtful book Landry's discussion of the dual career marriages of black women decades before the feminist revolution and the lessons they provide not only for understanding dynamic changes in American families but also for anticipating the future of the modern two career family is insightful and persuasive William Julius Wilson author of *The Bridge over the Racial Divide* Bart Landry's *Black Working Wives* is a perceptive analysis that connects the historical circumstances of Black women to the transformation of modern American family structures This is an important contribution which should engage general readers students and public policy leaders and deepen our understanding of the origins and value of the dual career family Darlene Clark Hine author of *Speak Truth to Power* Landry blends history demography and contemporary social analysis to illuminate the form and function of African American families over time He does a particularly good job of describing how decades ago middle class black families prefigured the relatively egalitarian two wage earner households that are so common today An incisive and rewarding book Jacqueline Jones author of *American Work* This is first rate engaging provocative solid scholarship I enthusiastically recommend it Walter R Allen University of California Los Angeles Landry has made a significant contribution to an existing body of literature on the family and race and more important he has advanced a position that is not present in that literature Troy Duster University of California Berkeley and New York University A very important book that contributes vitally to the small but growing literature on African American women and their agency in making lives for themselves and their families and in shaping American society Cheryl Townsend Gilkes Colby College

*African American Women Confront the West* Quintard Taylor, Shirley Ann Wilson Moore, 2003 The authors argue that African American women in the West

played active though sometimes unacknowledged roles in shaping the political ideological and social currents that influenced the United States over the past three centuries This is the first major historical anthology on the topic     **Black Women in America** Darlene Clark Hine, 2005 Winner of the Dartmouth Medal for Outstanding Reference Publication of 1994 the first edition of Black Women in America broke ground pulling together for the first time all of the research in this vast but underrepresented field to provide one of the strongest building blocks of Black Women s Studies Hailed by Eric Foner of Columbia University for a Lingua Franca survey as one of those publishing events which changes the way we look at a field it simultaneously filled a void in the literature and sparked new research and concepts regarding African American women in history Since the first edition was published a new generation of American black women has flourished demanding this landmark reference be brought up to date Women such as Venus and Serena Williams Condoleezza Rice Carol Mosley Braun Ruth Simmons and Ann Fudge have become household names for their remarkable contributions to sports politics academia and business In three magnificent volumes Black Women in America Second Edition celebrates the remarkable achievements of black women throughout history highlights their ongoing contributions in America today and covers the new research the first edition helped to generate Features Includes more than 150 new entries plus revisions and updates to all previous entries Contains 500 illustrations many published here for the first times Includes over 335 biographies many newly prepared for this publication Offers sidebars on interesting aspects of the history and culture of black women Provides a bibliography for each entry plus a major bibliographical essay Features a chronology and a comprehensive index For a complete listing of contents visit [www.oup.com/us/bwia](http://www.oup.com/us/bwia)     **Fifty Black Women Who Changed America** Amy Alexander, 2003 From former slaves housewives and college professors to Nobel Award Pulitzer Prize and Olympic Gold winners this compelling anthology offers vivid and inspiring portraits of fifty black women who made monumental contributions to the world including Sojourner Truth Hattie McDaniel Ella Fitzgerald Oprah Winfrey Tina Turner and many more women both famous and little known
