Alien Baptism And The Baptists:

Alien Baptism and the Baptists William Manlius Nevins, 1951 **A Historical Study of Alien Baptism Among Baptists Since 1640** Phillip Edward Rodgerson, 1952 High-church Baptists in the South James E. Tull, 2000 James E Tull's study and critique of the history and teachings of Landmarkism has established itself as a classic treatment of this important movement This present version of that study is the revised condensed and updated edition of Tull's 1960 original Tull did not finish the revision before he died in 1989 but Morris Ashcraft has now completed that task according to Tull's directions and notes Ashcraft has also added a helpful preface With this new edition of Tull's invaluable work on Landmarkism a new generation of historians students and all seeking to understand Baptists have at hand a most helpful teacher Tull on Landmarkism The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Three James Leo Garrett Jr., 2019-08-29 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In The Collected Writings of James Leo Garrett Jr 1950 2015 the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many Volume 3 contains his works on ecclesiology and provides much needed light in a day of great confusion on many issues related to the nature purpose and mission of the church Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life The Collected Writings of James Leo Garrett Jr 1950 2015 will inform and inspire readers regardless of their religious or denominational affiliations **Systematic Theology, Volume 2, Second Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a

massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *A History of the Baptists in Missouri* R.
