Alive And Aware Improving Communications In Relationships:

Alive and Aware Sherod Miller, Elam W. Nunnally, Daniel B. Wackman, 1975 *Alive and Aware* Sherod Miller, Elam W. Nunnally, Daniel B. Wackman, 1975-10 Alive and Aware Sherod Miller, Elam W. Nunnally, Daniel B. Wackman, 1975 *Love and Intimate Relationships* Norman M. Brown, Ellen S. Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work *Love and Intimate Relationships* investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of Mad Magazine help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships Perspectives in Professional Child and Youth Care James P Anglin, Jerome Beker, 2015-12-22 Here are the information ideas and inspiration that will help child care workers in their daily struggle to provide better care for children youth and families *Perspectives in Professional Child and Youth Care* is a much needed sourcebook of readings on the current state of the art of professional child and youth care in North America Some of the leading practitioners academicians researchers and administrators provide a child care perspective writing about what they on the front lines perceive as the most pressing issues and significant topics in the field today including the nature of child and youth care current issues in education and training therapeutic program issues key support functions in child and youth programs the changing work environment and new roles and developing professionalism in the field of child and youth care This enormously insightful book will be valuable for use in academic courses and training workshops as well as for individual child and youth care professionals and practitioners from related disciplines **Military Chaplains' Review** , 1979

Addressing Problematic Sexual Behaviors in Children Genevieve Naquin, 2024-11-19 This book provides the research education and structure required for conceptualizing the therapeutic treatment of children ages twelve and under who present with a range of problematic sexual behaviors This resource includes a literature review step by step treatment curriculum and guidance for clinicians working with this diverse population Clinicians will learn how to support families provide appropriate education and effective treatment and aid in the prevention of further problematic sexual behaviors

Passing Through Transitions Naomi Golan, 1983-10 Naomi Golan pens an excellent book with numerous research citations and case examples on dealing with transitional periods Robert W Roberts Dean School of Social Work at the University of Southern California As humans strive to live in cope in an era of revolutionary social and psychological change it becomes difficult to manage the trauma impact and disequilibrium that accompanies it In *Passing Through Transitions*

Professor Naomi Golan provides through research and examination of the problematic and effective ways to navigate the inevitable transitions of life One of the finest contributions to this book is the exhaustive review of selected theoretical frameworks for viewing these transitional life changes This book is a gem Social Work *Conflict in Intimate Relationships* Dudley D. Cahn, 1992-09-26 Why is the potential for conflict so great for intimate partners This volume integrates research from psychology sociology communications and family studies to provide a comprehensive practical synthesis of findings concerning conflict in close personal relationships Combining discussion of both theory and practice the volume illuminates why conflict occurs frequently between friends romantic partners distressed couples and divorcing spouses and also offers professionals a framework for understanding conflict as they try to help defuse strife The book establishes conflict as a process that lies dormant in any mutually dependent relationship Depending on the partners strategies in conflict the potential for disagreement can quickly become a real obstacle between them and can even threaten to end the relationship To better determine the source of stress three different research paradigms are presented to explain the conflict process and why it occurs as well as to suggest what can be done to help partners manage conflict and preserve intimacy The systems interactionists approach is presented first This section discusses methods used to characterize destructive and constructive communication behavior patterns and strategies for dispute resolution Next the rules interventionist approach examines ways in which a mediator can help divorcing couples end one relationship and begin another Finally the cognitive exchange approach is considered Methods used to determine the antecedent conditions which influence partners reactions during conflict are presented and approaches for helping them modify destructive communication strategies are discussed Throughout terminology and measurements are made to correspond across disciplines so that the work is accessible to all In addition to relating particular studies and research programs to their appropriate research approaches the book shows how conflict is uniquely handled when distressed partners engage in problem solving when disputing partners engage in mediation and when same and opposite sex partners participate in developing relationships Comparison and contrast emphasize the role played by conflict communication behavior rules and strategies found in developing intimate relationships the destructive conflict characteristic of emotionally distressed couples and the bargaining negotiation characteristic of formal mediation Drawing together the wide array of research on the topic in a user friendly format this book is an ideal resource for any investigator interested in distressed relationships Offering practical methodology firmly founded in theory it is invaluable reading for clinicians working with people in conflict The book also serves as a text for advanced undergraduate and graduate students of conflict in interpersonal relationships and as supplementary reading for a variety of courses where conflict is a focus of study
