Beauty Its A God Thing:

The God Who Is Beauty Brendon Thomas Sammon,2014-09-25 In the beginning was beauty and beauty was with God and beauty was God If the tradition of divine names that in its Christian form originates with Dionysius the Areopagite and includes among its ranks Albert the Great Thomas Aquinas and others is correct in identifying God with the name beauty then repurposing the Prologue to John s Gospel in this way seems hardly controversial For if beauty is a divine name then not only is it fitting to say God is beautiful but it is equally fitting to say that God is beauty itself However like most arguments from fittingness that is to say arguments whose veracity derives from the congruency proportion or harmony between the various elements of a proposition or idea rather than from some categorically higher or univocally determinate logical necessity the simplicity of its utterance stands in stark contrast to the complexity of its intelligible content It is the aim of the present work is to explore what it means to say that beauty is a divine name [The Beauty of God's House](#) Francesca Aran Murphy,2014-05-23 For thirty years Stratford Caldecott has been an inspirational figure in liturgy fantasy literature graphic novels spirituality education ecology and social theory Hundreds of people have learned from his spiritual approaches to the great existential questions The Beauty of God s House is a Festschrift dedicated to him The book seeks to cover the whole range of Caldecott s interests from poetics to politics Anyone interested in the field of theology and the arts will find much to intrigue them in this delightful multi authored volume The common core of Stratford s interests is in the beauty of the cosmos and how it reflects the beauty of God This book is about the beauty of God s realm and it conceives God s realm as the arts politics liturgy religions and human life It touches on the many places where beauty and spirituality overlap It is an engagement in theological aesthetics that goes well beyond the aesthetic [The Lover's Seat.
