Beauty's Body Femininity And Representation In British Aestheticism Hardcover:

Beauty's Body Kathy Alexis Psomiades, 1997 *Beauty's Body* argues that representations of femininity in the painting poetry and prose of British aestheticism are not merely incidental or decorative but play an integral part in the cultural work of aestheticism **Forthcoming Books** Rose Arny, 1996-10 The Cambridge Paperback Guide to Theatre Sarah

Stanton, Martin Banham, 1996-03-07 Derived from *The Cambridge guide to theatre* New Statesman Society, 1992

Subject Guide to Books in Print, 1991 *Consuming Female Beauty* Michelle J. Smith, 2022 The first comprehensive account of female beauty in nineteenth century British print culture Pinpointing how consumer culture transformed female beauty ideals during the nineteenth and early twentieth centuries this study documents the movement from traditional views about beauty in relation to nature God morality and character to a modern conception of beauty as produced in and through consumer culture While beauty has often been approached in relation to aestheticism and the visual arts in this period this monograph offers a new and significant focus on how beauty was reshaped in girls and women's magazines beauty manuals and fiction during the rise of consumer culture These archival sources reveal important historical changes in how femininity was shaped and illuminate how contemporary ideas of female beauty and the methods by which they are disseminated originated in seismic shifts in nineteenth century print culture Michelle J Smith is a Senior Lecturer in Literary Studies at Monash University Australia *Over Her Dead Body* Elisabeth Bronfen, 1992 *Enth u a S 39 56* Violence of representation representation of violence the death of Valentine God Darel 1915 and Ferdinand Hodler's sequence of sketches The Female Body in the Looking-Glass Basia Sliwinska, 2016-06-30 In his theory of the mirror stage the psychoanalyst and psychiatrist Jacques Lacan argued that the female body is defined by its lack of male attributes Within this framework he described female sexuality primarily as an absence and assumed female subordination to the male gaze However what happens if one follows Jean Baudrillard's advice to swallow the mirror and go through the looking glass to explore the reflections and realities that we encounter in the cultural mirror which reflects the culture in question its norms ideals and values What if the beautiful is inverted and becomes ugly and the ugly is considered beautiful or shape shifts into something conventionally thought of as beautiful These are the fundamental questions that Basia Sliwinska poses in this important new enquiry into gender identity and the politics of vision in contemporary women's art Through an innovative discussion of the mirror as a metaphor Sliwinska reveals how the post 1989 practices of woman artists from both sides of the former Iron Curtain such as Joanna Rajkowska Marina Abramovic Boryana Rossa Natalia LL and Anetta Mona Chisa and Lucia Tkacova go beyond gender binaries and instead embrace otherness and difference by playing with visual tropes of femininity Their provocative works offer alternative representations of the female body to those seen in the cultural mirror Their art challenges and deconstructs patriarchal representations of the social and cultural other associated with visual tropes of femininity such as Alice in Wonderland Venus and Medusa *The Female Body in the Looking Glass* makes a refreshing radical

intervention into art theory and cultural studies by offering new theoretical concepts such as the mirror and genderland inspired by Alice's adventures in Wonderland as critical tools with which we can analyse and explain recent developments in women's art

British Aestheticism and the Urban Working Classes, 1870-1900 Diana Maltz, 2005-12-17 This cultural study reveals the interdependence between British Aestheticism and late Victorian social reform movements Following John Ruskin who believed in art's power to civilize the poor cultural philanthropists promulgated a Religion of Beauty as they advocated practical schemes for tenement reform university settlement education Sunday museum opening and High Anglican revival Although subject to novelists ambivalent even satirical representations missionary aesthetes nevertheless constituted an influential social network imbuing fin de siècle artistic communities with political purpose and political lobbies with aesthetic sensibility

The Business of Beauty Jessica P. Clark, 2020-04-30 The Business of Beauty is a unique exploration of the history of beauty consumption and business in Victorian and Edwardian London Illuminating national and cultural contingencies specific to London as a global metropolis it makes an important intervention by challenging the view of those who like their historical contemporaries perceive the 19th and early 20th centuries as devoid of beauty praxis let alone a commercial beauty culture Contrary to this perception The Business of Beauty reveals that Victorian and Edwardian women and men developed a number of tacit strategies to transform their looks including the purchase of new goods and services from a heterogeneous group of urban entrepreneurs hairdressers barbers perfumers wigmakers complexion specialists hair restorers manicurists and beauty culturists Mining trade journals census data periodical print and advice literature Jessica P Clark takes us on a journey through Victorian and Edwardian London's beauty businesses from the shady back parlors of Sarah Madame Rachel Levenson to the elegant showrooms of Eugene Rimmel into the first Mayfair salon of Mrs Helena Titus aka Helena Rubinstein By revealing these stories Jessica P Clark revises traditional chronologies of British beauty consumption and provides the historical background to 20th century developments led by Rubinstein and others Weaving together histories of gender fashion and business to investigate the ways that Victorian critiques of self fashioning and beautification defined both the buying and selling of beauty goods this is a revealing resource for scholars students fashion followers and beauty enthusiasts alike
