Forshaw, 2025-09-09 This is the 4th volume in a 4 volume work entitled The Mage's Images The work provides the first in depth examination of the life and works of Heinrich Khunrath 1560-1605 one of the great Hermetic philosophers whose Amphitheatre of Eternal Wisdom 1595-1609 has been described as one of the most important books in the whole literature of theosophical alchemy and the occult sciences Khunrath is best known for his novel combination of scripture and picture in the complex engravings in his Amphitheatre In this richly illustrated monograph Forshaw analyses occult symbolism with previously unpublished material offering insight into Khunrath's insistence on the necessary combination of alchemy magic and cabala in Oratory and Laboratory Not in His Image (15th Anniversary Edition) John Lamb Lash, 2021-09-18 Lash is capable of explaining the mind bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight His arguments are often lively and entertaining Los Angeles Times Fully revised and with a new preface by the author this timely update is perfect for readers of The Immortality Key Since its initial release to wide acclaim in 2006 Not in His Image has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed With clarity author John Lamb Lash explains how a little known messianic sect propelled itself into a dominant world power systematically wiping out the great Gnostic spiritual teachers the Druid priests and the shamanistic healers of Europe and North Africa Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth tellers and keep their own secrets Not in His Image delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history exploring the richness of the ancient European Pagan spirituality the Pagan Mysteries the Great Goddess Gnosis the myths of Sophia and Gaia In the 15th Anniversary Edition Lash doubles down on his original argument against redemptive ideology and authoritarian deceit He shows how the Gnostics clearly foresaw the current program of salvation by syringe and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism making this well timed update more relevant than ever Sometimes a book changes the world Not in His Image is such a book It is clear stimulating well researched and sure to outrage the experts Get it Improve not just your own life but civilization's chances for survival Roger Payne author of Among Whales **The Early Coptic Papacy** Stephen J. Davis, 2017-09-12 The Copts adherents of the Egyptian Orthodox Church today represent the largest Christian community in the Middle East and their presiding bishops have been accorded the title of pope since the third century AD This study analyzes the development of the Egyptian papacy from its origins to the rise of Islam How did the papal office in Egypt evolve as a social and religious institution during the first six and a half centuries AD How do the developments in the Alexandrian patriarchate reflect larger developments in the Egyptian church as a whole in its structures

of authority and lines of communication as well as in its social and religious practices In addressing such questions Stephen J Davis examines a wide range of evidence letters sermons theological treatises and church histories as well as art artifacts and archaeological remains to discover what the patriarchs did as leaders how their leadership was represented in public discourses and how those representations definitively shaped Egyptian Christian identity in late antiquity The Early Coptic Papacy is Volume 1 of The Popes of Egypt A History of the Coptic Church and Its Patriarchs Also available Volume 2 The Coptic Papacy in Islamic Egypt 641 1517 Mark N Swanson and Volume 3 The Emergence of the Modern Coptic Papacy Magdi Girgis Nelly van Doorn Harder **Pagans & Christians** Gus DiZerega,2001 Although Christianity is still a major religious force there are growing numbers of people in other faiths including the various Pagan traditions Some Christians have responded to this trend with fear and derision while some Pagans have reacted to that fear with anger and mistrust Much of the problem is due to misunderstandings and lack of communication This can change with Gus diZerega s Pagans Christians Here you will find a penetrating and illuminating comparison showing that neither path has the single correct approach to the Divine Rather either or both can be authentic and legitimate expressions of the appreciation of the Ultimate Source of All Pagans Christians is an ideal way to help bridge what at time seems a wide chasm between Christian and Pagan beliefs By sharing core ideas of both paths this book provides a way to give deeper mutual understanding and unity among the religions of the world Although Pagans Christians accepts both paths as valid the book provides a more in depth explanation of Paganism the minority religion because in some ways Paganism demands a greater defense and explanation of its beliefs and ideas to dispel misunderstandings The author is a Third Degree Gardenerian Elder and in Pagans Christians has presented nothing less than a brilliant defense of Paganism clearly showing how it should stand beside all of the major religions of the world as an equal As part of this defense diZerega gives a listing of biblical contradictions and Christian philosophical difficulties which can help any Pagan responding to a negative attack and will help any Christian to view his or her religion as a way not the way Winner of the 2001 Coalition of Visionary Resources COVR Award for Best Non fiction Book
