Alongside hilarious anecdotes about pranks and drunkenness and teenage failures featuring the trademark NOFX sense of humor the book also shares the ugliness and horror the band members experienced on the road to becoming DIY millionaires Fans and non fans alike will be shocked by stories of murder suicide addiction counterfeiting riots bondage terminal illness the Yakuza and pee lots and lots of pee Told by each of the band members and two former members NOFX looks back at more than thirty years of comedy tragedy and completely inexplicable success **Small Press Yearbook** ,1990 Bad Blood R.T. Runner,2015-06-03 Growing up neglected by parents suffering from crippling anxiety attacks low self esteem shyness alcohol abuse to being bullied and dealing with Celiac disease to overcoming them all on my own Today happily married for over 20 years two children and grandchildren returned to school have two high school diplomas and went on to college obtained two diplomas in business and numerous other college programs Today work for a security company which I enjoy doing have a dual license private investigator and security guard license and work in some dangerous environments people skills are my strongpoint Factsheet Five ,1989 **Jacob** I.C. Sharpe,2013-04-23 The author of this book is an absolute nut And he even admits it wholeheartedly and would like a parade thrown on behalf of that fact alone With all honesty though he grew up the middle child in a family that was Jehovah Witness until he was twelve in Citrus Heights California better known as the Sacramento valley His parents divorced when he was five He grew up as a social outcast hermit who sought after love kindness respect and truth despite a prominent temper After graduating from high school he joined the military before moving to Las Vegas Nevada getting married having children and then getting divorced He joined the LDS Church of Jesus Christ of Latter Day Saints before he was married fell away and only truly gained his testimony and blessings after his divorce The author realized his ability to write when he was in high school as he wrote various poems His talent has stayed with him showing itself in the military through short stories and even through a book and one half written not counting this one that he will not publish for personal reasons He once went to college for designing and developing video games where the subjects he did best in were all about writing and his mother has a book or two out on the market as well He is a good guy or so I hear single has been learning and practicing patience is temple worthy with recommendation and stuck in Las Vegas until he turns forty five because he loves his three daughters On the downside he has had jobs from one end of the spectrum to the other has never been promoted in any of them and is more content being of service at the bottom of the chain than trying to get to the top I personally think he is very imaginative resourceful creative and well like I said he is a nut But then again I might be a little bias Enjoy the book
