Responsible Production and Consumption Pramod K. Mishra, Sameer Prasad, B. Kamaiah, B. Raja Shekhar, Chinmaya Behera, Pratap K. Jena, 2024-11-25 Zero Hunger SDG 2 and Responsible Consumption and Production SDG 12 of the United Nations are very crucial aspects for any economy in the world In terms of Agricultural Sustainability and Food Security the

world should see to it that agriculture is sustainable enough to ensure food security for all its people While nobody should be deprived of food for whatever reasons and at the same time nobody should use the agricultural resources both inputs and outputs in a manner harmful to the society at large The use of any resources in terms of production and consumption and vice versa should take into account the carbon footprint and greenhouse gas emissions While the producers have a major role in the optimum use of the resources the consumers for whatever items should take into account the responsible consumption practices Since production and consumption are like two sides of a coin complementary to each other any change in one of the aspects will have its repercussions on the other one So it is a collective responsibility of everyone to ensure that things are practiced the way they are supposed to
