Britain And The European Union Dialogue Of The Deaf:

Britain and European Union Max Beloff, 1996 The forefathers of the European Union led by Jean Monnet hoped to create a United States of Europe with national sovereignties subordinated to a federal government Few in Britain shared their dream Yet Britain abandoned her aloof stand of 1950 and eventually joined the European Communities Lord Beloff asks whether the key figures Harold Macmillan Sir Edward Heath and Harold Wilson knowingly deceived the electorate into thinking that entry could be combined with the country's independence of action and historic constitution or whether they thought that they could persuade continental statesmen from inside of the merits of a much looser structure The actions and words of Lady Thatcher and John Major are scrutinised with this same question in mind as are Labour's oscillations under Gaitskill Wilson and Foot before plunging wholeheartedly into Eurofederalism under Kinnock and Blair The key theme which emerges is of mutual misunderstanding between Britain and the continent due to basic differences of outlook and interest which have guaranteed continual controversy throughout our involvement in Europe **Britain and European Union** Lord Beloff, 2016-07-27 The forefathers of the European Union led by Jean Monnet hoped to create a United States of Europe with national sovereignties subordinated to a federal government Few in Britain shared their dream Yet Britain abandoned her aloof stand of 1950 and eventually joined the European Communities Lord Beloff asks whether the key figures Harold Macmillan Sir Edward Heath and Harold Wilson knowingly deceived the electorate into thinking that entry could be combined with the country's independence of action and historic constitution or whether they thought that they could persuade continental statesmen from inside of the merits of a much looser structure The actions and words of Lady Thatcher and John Major are scrutinised with this same question in mind as are Labour's oscillations under Gaitskill Wilson and Foot before plunging wholeheartedly into Eurofederalism under Kinnock and Blair The key theme which emerges is of mutual misunderstanding between Britain and the continent due to basic differences of outlook and interest which have guaranteed continual controversy throughout our involvement in Europe **Proceedings of the British Academy, Volume 120, Biographical Memoirs of Fellows, II** British Academy, 2003-12-18 Volume 120 of the Proceedings of the British Academy contains 25 obituaries of recently deceased Fellows of the British Academy **Britain and the European Union** David Gowland, 2022-04-07 This engaging and concise new edition offers the student and general reader a compact readable treatment of British membership of the European Union EU from 1973 up until the present day and Brexit with detailed analysis of the period 1945 1972 accounting for Britain's absence from the formation of the EU It provides a highly distilled and accessible analysis and overview of some of the parameters and recurring features of Britain's membership of the European Union touching on all the major facets of membership at this critical time in Britain's relationship with Europe Key features of the new edition examines the constant and changing character of British membership of the EU discusses the problematical and often paradoxical features of EU membership familiarises the reader with both academic and public

debates about the subject offers thematic treatment of all aspects of policy and attitudes towards the EU significantly restructured and updated to include the origins of the decision to hold a referendum on UK membership of the EU the campaign explanations for its outcome and the course substance and implications of the UK EU Brexit negotiations This book will be of key interest to scholars students and the generally interested reader in the areas of European Politics Studies British Politics EU Politics Studies Area Studies and International Relations **The Oxford Handbook of British Politics** Matthew Flinders, 2009-07-16 The Oxford Handbook of British Politics provides the most sophisticated and up to date analysis of British politics to date Essential for all those working in the area Britain and Europe Since 1945 Oliver J. Daddow, 2004-04-15 This important book offers a refreshing and challenging perspective on the nature of history by analyzing the character role functioning and wider uses of historiography Taking British policies toward European integration since the Second World War as a case study the author demonstrates how its interpretation and reportage over time is subject to changing trends Seeking to explain these trends in terms of the different conceptions of the past which are maintained by different schools of writing it forces us to confront the fundamental difficulties we encounter in undertaking studies in history It draws attention to the impact on historical interpretation of changing times political discourse the opening of archives and of subjects being brought to the fore by professional historians **Harold Wilson and European Integration** Oliver J. Daddow, 2016-01-20 Harold Wilson s direction of the second British application to join the EEC is ripe for reinterpretation With new and exciting material now available in the Public Record Office and abroad this is an extremely propitious moment to reconsider Wilson s motivations and to contextualise them in light of evidence on foreign policy making contained in the official record **Human Rights and the End of Empire** Alfred William Brian Simpson, 2004 The European Convention on Human Rights of 1950 established the most effective international system of human rights protection ever created This is the first book that gives a comprehensive account of how it came into existence of the part played in its genesis by the British government and of its significance for Britain in the period between 1953 and 1966 **Harold Wilson and Europe** Melissa Pine, 2007-10-24 NJR BLURB IN RAW FORM The second British application to join the European Communities EC was made during Harold Wilson s second Labour government It ended in failure with French President Charles de Gaulle s veto in November 1967 This book traces the development of Britain s policy towards the EC from the veto to the end of Wilson s government in June 1970 It is based upon recently released British archival resources and begins with the puzzle of how it was possible for Edward Heath s Conservative government to open negotiations for membership just twelve days after taking office The book suggests that Wilson s earlier diplomacy was vital for the Conservatives successful negotiation of British entry by 1973 Despite the 1967 veto the Wilson government continued to focus on Western Europe to the diminution of previously important relationships with the United States the Commonwealth and the European Free Trade Association The book is focused on Wilson and examines his personal role in European policy

demonstrating his control over the application his management of cabinet and his efforts to win over key European allies It suggests that a key enabling factor for the pursuit of accession was the complacency of most ministers with the exception of key foreign office ministers On the continent British diplomacy was crucial in creating an environment conducive to the eventual lifting of the French veto and success of the British application It first facilitated meaningful collaboration with some EC member states Second it prevented harmful developments in the Communities that might otherwise have made British accession more difficult Wilson was crucially important to this policy and personally strove to ensure its success Labour s defeat at the 1970 general election meant that the policy was carried to fruition by Heath and the Conservatives but Wilson s efforts paved the way to eventual British membership Helmut Schmidt and British-German Relations Mathias Haeussler, 2019-03-28 The young Helmut Schmidt and British German relations 1945 74 Harold Wilson 1974 76 James Callaghan 1976 79 Margaret Thatcher 1979 82
