British Chess Magazine Volume 97 January To December 1977:

The British Chess Magazine ,1978 **Tal, Petrosian, Spassky and Korchnoi** Andrew Soltis,2018-12-06 This book describes the intense rivalry and collaboration of the four players who created the golden era when USSR chess players dominated the world More than 200 annotated games are included along with personal details many for the first time in English Mikhail Tal the roguish doomed Latvian who changed the way chess players think about attack and sacrifice Tigran Petrosian the brilliant henpecked Armenian whose wife drove him to become the world s best player Boris Spassky the prodigy who survived near starvation and later bouts of melancholia to succeed Petrosian but is best remembered for losing to Bobby Fischer and Evil Viktor Korchnoi whose mixture of genius and jealousy helped him eventually surpass his three rivals but fate denied him the title they achieved world champion **Kurt Richter** Alan McGowan,2018-11-21 German master Kurt Richter 1900 1969 made significant contributions to the chess world as a player and as an editor and author Unassuming in real life Richter was a fearsome opponent who expressed himself mainly through his over the board results as well as through his chess journalism and literary output He was responsible for several innovative openings some of which gained renewed status in later years This overview of his life and games sheds light on a player who should be better known with much never before seen material Examples of his entertaining writings on chess are included some featuring his fictitious student opponent Dr Zabel A wide selection of games illustrates the surprising combinations and brilliant style of play that earned him the title The Executioner of Berlin **Chess Digest Magazine** ,1978 **General Catalogue of Printed Books to 1955** British Museum. Dept. of Printed Books,1967 *Books and Periodicals Online* ,1999
