

BRITAIN AND THE MIDDLE EAST

AN ECONOMIC HISTORY 1945 – 87

Frank Brenchley

Britain And The Middle East An Economic History 194587

Miriam Joyce

Britain And The Middle East An Economic History 194587:

Demise of the British Empire in the Middle East Michael Cohen, Dr Martin Kolinsky, Martin Kolinsky, 2013-04-03 Britain emerged from World War II dependent economically and militarily upon the US. Egypt was the hub of Britain's imperial interests in the Middle East but her inability to maintain a large garrison there was clear to the indigenous peoples. These essays track the decline of the empire.

Britain and the Middle East Frank Brenchley, 1991-12-31 Using official information and secondary sources the author a former ambassador to the Middle East specializing in economic and trade matters provides a detailed survey of developments since World War II emphasizing the relationship between economic conditions and political developments.

The End of the British Empire in the Middle East, 1952—1971 Wm. Roger Louis, 2025-02-20 The quarter century after the end of the Second World War and the transfer of power in India in 1947 marked the slow and turbulent dissolution of the British Empire in the Middle East. Seeking to capture the period in its full complexity and contradictions acclaimed historian Wm Roger Louis here provides a through going account of the British Empire's gradual decline. Unpicking the overlapping motivations of those across Britain the US and the Middle East the book demonstrates how and why enthusiasm for the British involvement in the region waned the chaotic ways in which the withdrawal unfolded and the importance of these events for understanding the region today. The book explores the period in full detail from the overthrow of the Musaddiq government in Iran the Egyptian Revolution Sudan's independence and the events of the pivotal year of 1955 that set the stage for the Suez crisis the following year through the pivotal Suez crisis of 1956 itself to the crises of 1957 the Iraqi Revolution of 1958 and the 1967 Arab Israeli war and concluding with the collapse of the British position in Aden and the decision to withdraw from the Gulf a process completed by the end of 1971. This panoramic and comprehensive history draws on six decades work in archives across Europe the Middle East and the US including those from governmental archives and private papers and in multiple languages complemented by a considerable body of oral history testimony much of it acquired by the author through conversations with contemporary British politicians and officials. In so doing the book sheds new light onto the nature and complexity of the British Empire in its final days and the importance of understanding this history today.

Strategy and Politics in the Middle East, 1954-1960 Michael Cohen, 2004-10-21 Cohen reveals the extent to which the UK clung on to great power pretensions in the Middle East 1954-60 and used bluff to give the impression that it disposed of greater military resources than was the case.

Decline of the Anglo-American Middle East, 1961-1969, 2014-12-01 Discusses Anglo American policy in the Middle East under Kennedy and Johnson as well as under British Conservative and Labour governments. This title provides a historical background on the Anglo American Middle East for the 1950s. It analyses Western policy toward Egyptian President Gamal Abdul Nasser and toward the Arabian Peninsula.

Margaret Thatcher and the Middle East Azriel Bermant, 2016-11-03 This volume examines Margaret Thatcher's policy on the Middle East with a spotlight on her approach to the Israeli Palestinian conflict.

British

Diplomacy and the Iranian Revolution, 1978-1981 Luman Ali, 2018-07-19 This book investigates how British diplomats in Tehran and London reacted to the overthrow of the Shah and the creation of an Islamic Republic in Iran which had previously been a major political and commercial partner for London in the Middle East Making substantial use of recently declassified archival material the book explores the role of a significant diplomatic institution the resident embassy and the impact of revolutions on diplomatic relations It evaluates the performance of those charged with British diplomacy during the Iranian Revolution as Britain's position fell from favour under the post revolutionary regime Examining the views of key diplomatic personnel at the Foreign and Commonwealth Office and British ministers this study seeks to explain how British policy towards Iran was shaped and the means of diplomacy employed In charting the evolution of Britain's diplomatic relationship with Iran during this period a number of factors are considered including historical experience geography economics world politics and domestic concerns It also highlights the impact of events within the Iranian domestic political scene which were beyond London's control but which shaped British policy significantly

Ruling Shaikhs and Her Majesty's Government Miriam Joyce, 2004-08-02 This volume discusses the evolution of the British protected Gulf states during the 1960s and explains how these small Shaikhdoms moved towards independence Based on extensive research using British documents from the Public Records Office and selected American documents from the National Archives this book investigates the relationship between British officials and Arab Gulf Shaikhs At the beginning of what was to be their final years as guardians of the Gulf British officials pressed for political progress co operation among the Shaikhdoms and improvements in education and health care At the same time Foreign Office officials continued to safeguard specific British economic interests and the political interests of the Western Alliance

Richard Nixon, Great Britain and the Anglo-American Alignment in the Persian Gulf and Arabian Peninsula Tore T. Petersen, 2011-02-21 When the British Labour party announced the withdrawal of British forces from the Persian Gulf in January 1968 the United States faced a potential power vacuum in the area The incoming Nixon administration preoccupied with the Soviet Union and China and the war in Vietnam had no intention of replacing the British in the Gulf
