**Coastal Policing in Eighteenth-Century Britain** Hannes Ziegler, 2025-06-10 The first comprehensive study of Britain s coastal policing and administration across the long eighteenth century Throughout Britain s past its coast has presented security concerns Despite this long history of raids smugglers and warfare consistent designated and permanent coastal enforcement bodies were only established in England in the 1690s Initially a reaction to the threats of the Nine Years Wars their creation spoke to a new understanding of The Coast as a politically distinct and liminal space a region neither land nor sea with its own issues and social dynamics that had to be controlled through new more sophisticated methods This study explores the circumstances that both necessitated a formalised policing of coastal areas and influenced the subsequent development of these enforcement bodies showing how their missions and practices fluctuated in relation to key political events and economic policies across the century In doing so the book encompasses a long eighteenth century starting with political developments in the run up to the Glorious Revolution and ending with the overhaul of coastal bureaucracies in the wake of the Napoleonic Wars In conjunction with this larger historical sweep through extensive archival research the book reveals the failures in coastal policing arguing that these shortcomings stemmed not from the cunning of smugglers or bureaucratic inefficiency but from inherent contradictions in Britain s imperial ambitions In highlighting the complexities of this watery borderland Hannes Ziegler sheds new light on the inner workings of Britain s fiscal military enterprises and state building challenges of its evolving imperial identity gs stemmed not from the cunning of smugglers or bureaucratic inefficiency but from inherent contradictions in Britain s imperial ambitions In highlighting the complexities of this watery borderland Hannes Ziegler sheds new light on the inner workings of Britain s fiscal military enterprises and state building challenges of

its evolving imperial identity rting with political developments in the run up to the Glorious Revolution and ending with the overhaul of coastal bureaucracies in the wake of the Napoleonic Wars In conjunction with this larger historical sweep through extensive archival research the book reveals the failures in coastal policing arguing that these shortcomings stemmed not from the cunning of smugglers or bureaucratic inefficiency but from inherent contradictions in Britain s imperial ambitions In highlighting the complexities of this watery borderland Hannes Ziegler sheds new light on the inner workings of Britain s fiscal military enterprises and state building challenges of its evolving imperial identity gs stemmed not from the cunning of smugglers or bureaucratic inefficiency but from inherent contradictions in Britain s imperial ambitions In highlighting the complexities of this watery borderland Hannes Ziegler sheds new light on the inner workings of Britain s fiscal military enterprises and state building challenges of its evolving imperial identity olving imperial identity **This Luminous Coast** Jules Pretty,2015-06-04 Over the course of a year Jules Pretty walked along the shoreline of East Anglia in southeastern England eventually exploring four hundred miles on foot and another hundred miles by boat It is a coast and a culture that is about to be lost not yet perhaps but soon to rising tides and industrial sprawl This Luminous Coast takes the reader with him on his journey over land and water over sea walls of dried grass beside stretched fields of golden crops alongside white sails gliding across the intricate lacework of invisible creeks and estuaries under vast skies that are home to curlews and redshanks and the outpourings of skylarks East Anglia s coastline is as much a human landscape as it is a natural one and Pretty is equally perceptive about the region s cultural heritage and its industrial wild fishing villages and the modern seaside resorts family farms and oil refineries pleasure piers and concrete seawalls cozy pubs and military installations Through words and photographs Pretty interweaves stories of the land and sea with people past and present He is a passionate and sensitive guide to a region in transition under stress and perhaps even doomed as finely attuned to its history as he is to its unique sensory world Britain's Historical Drama John Fitzgerald Pennie,1832
