British Army In Italy 1917 1918:

The British Army in Italy 1917-1918 Eileen Wilks, John Wilks, 1998-01-12 After the Italian defeat at Caporetto a British Expeditionary Force under General Plumer was despatched from France This account describes the campaign which ended after the victory at Vittorio Veneto over the Austrians

The British Army in Italy, 1917-18 John Wilks, Eileen Wilks, 1998 After the disastrous Italian defeat at Caporetto a British Expeditionary Force under General Plumer was despatched from France This impressively researched account described this hitherto neglected campaign ending in the victory at Vittorio Veneto over the Austrians

The Forgotten Front George H. Cassar, 1998-01-01 With *The Forgotten Front* George H Cassar intends to demonstrate Italy's vital contribution to the Allied effort in the First World War His account of the war in Italy covers the strategic considerations as well as the actual fighting

Britain and Italy in the Era of the First World War Stefano Marcuzzi, 2020-12-10 Reassesses British and Italian grand strategies from 1914 to 1920 including the war the peace conference and the Fiume crisis

Field Marshal the Earl of Cavan Michael Senior, 2023-06-30 Field Marshal Lord Cavan 1865 1946 was one of the most distinguished commanders of the modern British army but he divided opinion among his contemporaries Some senior soldiers were disdainful Field Marshal Sir Henry Wilson described him as ignorant pompous and vain and Brigadier General Sir James Edward Edmonds commented that Cavan was bone from the neck upwards Yet many of Cavan's subordinates praised him saying I had never seen Lord Cavan before and I was filled with admiration by the calm and quiet self confidence of his manner and Our new General Lord Cavan is simply A1 and the whole show runs like a well oiled machine So what were the real qualities and achievements of this remarkable but hitherto neglected officer who in a long career served in the Boer War and the First World War and then presided over the post war reduction of the British army Michael Senior in the first full biography of Cavan assesses him as a leader a corps commander and an administrator and places him among the front rank of the soldiers of his generation He also explores Cavan's personal life his personality and how his aristocratic background his wealth and his love of fox hunting affected his conduct in both war and peace

Warfare in the Western World, 1882-1975 Jeremy Black, 2014-12-18 In this companion volume to *Western Warfare 1775 1882* Jeremy Black takes his analysis of modern warfare into the twentieth century As before a distinctive feature of the author's approach is the coverage of both land and naval warfare as well as conflict within the West and between Western and non Western powers Beginning with the British conquest of Egypt in 1882 this book goes on to examine the Spanish American War of 1898 the Boer War and the Balkan conflicts leading to world war in 1914 A revisionist account of the First World War is followed by a discussion of Western expansionism in the period to 1936 Chapters on the interwar years and the Second World War lead on to a discussion of the retreat from empire and the advent of Cold War The narrative closes with the end of the Vietnam War in 1975 and a discussion of the limitations of Western military technique doctrine and technology Throughout the themes of military change and modernization are brought into sharp focus and the

revolutionary characteristics of the machination of war in this period are questioned Jeremy Black offers a new and challenging interpretation of modern warfare that will be required reading not only for students of military history but for all those interested in the impact of war in the making of the modern world **Disaster Ending in Final Victory** Gaetano V. Cavallaro, 2010-02-22 The Beginning of Futility and Futility ending in Disaster discussed Italys joining the allies and going on the offensive against Austria Hungary With Berlins assistance deep penetrations were made into Italian territory resulting in allied troops coming to Italys assistance while secret negotiations for a separate peace with Vienna between U S President Wilson and Englands Prime Minister Lloyd George failed A repeat Habsburg offensive was halted followed by the issuance of the Manifesto which would place the empires ethnics as independent nations under the Habsburg crown a move which led to the disintegration of the Habsburg Army and Empire The Cambridge History of the First World War: Volume 1, Global War Jay Winter, 2014-01-09 This first volume of The Cambridge History of the First World War provides a comprehensive account of the war s military history An international team of leading historians charts how a war made possible by globalization and imperial expansion unfolded into catastrophe growing year by year in scale and destructive power far beyond that which anyone had anticipated in 1914 Adopting a global perspective the volume analyses the spatial impact of the war and the subsequent ripple effects that occurred both regionally and across the world It explores how imperial powers devoted vast reserves of manpower and material to their war efforts and how by doing so they changed the political landscape of the world order It also charts the moral political and legal implications of the changing character of war and in particular the collapse of the distinction between civilian and military targets Haking: A Dutiful Soldier Michael Senior, 2012-04-19 Sir Richard Haking commanded the British XI Corps from 1915 to 1918 mainly in France but also in Italy December 1917 March 1918 This first study of Haking takes the form of a review and analysis of his career as a Corps Commander placing the activities of XI Corps in the context of events on the Western and Italian Fronts It has three aims First it is intended to make a balanced assessment of Haking as a Corps Commander in the light of an established popular reputation which places him firmly in the donkey category of First World War generals The second aim is to examine how Haking carried out his role as a Corps Commander and the third aim is to relate the experiences of Haking and XI Corps to a number of important topics connected with the conduct of the war trench warfare on the Western Front with particular reference to the much criticized attack at Fromelles in July 1916 the British involvement in Italy the relationship with the Portuguese Expeditionary Force in France and the British victories in 1918 Reference is made to several key operating issues such as command and control on the Western Front the learning curve in the BEF the doctrine of the offensive and the British policy on defense in depth Each is discussed taking account of Hakings experiences as XI Corps Commander The study concludes contrary to the general view that overall Haking made a positive contribution to the conduct of the war and that his dismal reputation is largely unjustified *Air University Library Index to Military Periodicals* ,1999

Reviewing **British Army In Italy 1917 1918**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
