British Fiction Of The 1990s:

British Fiction of the 1990s Nick Bentley, 2005 Presenting a fresh perspective on the diverse writings that appeared in British fiction during the 1990s this book brings together leading academics in the field **The 1990s: A Decade of Contemporary British Fiction** Nick Hubble, Philip Tew, Leigh Wilson, 2015-05-21 How did social cultural and political events in Britain during the 1990s shape contemporary British Fiction From the fall of the Berlin Wall to the turn of the millennium the 1990s witnessed a realignment of global politics Against the changing international scene this volume uses events abroad and in Britain to examine and explain the changes taking place in British fiction including the celebration of national identities fuelled by the move toward political devolution in Northern Ireland Scotland and Wales the literary optimism in urban ethnic fictions written by a new generation of authors born and raised in Britain the popularity of neo Victorian fiction Critical surveys are balanced by in depth readings of work by the authors who defined the decade including A S Byatt Hanif Kureishi Will Self Caryl Phillips and Irvine Welsh an approach that illustrates exactly how their key themes and concerns fit within the social and political circumstances of the decade *The 2000s: A Decade of Contemporary British Fiction* Nick Bentley, Nick Hubble, Leigh Wilson, 2015-10-22 How did social cultural and political events in Britain during the 2000s shape contemporary British fiction The means of publishing buying and reading fiction changed dramatically between 2000 and 2010 This volume explores how the socio political and economic turns of the decade bookended by the beginning of a millennium and an economic crisis transformed the act of writing and reading Through consideration of among other things the treatment of neuroscience violence the historical and youth subcultures in recent fiction the essays in this collection explore the complex and still powerful relation between the novel and the world in which it is written published and read This major literary assessment of the fiction of the 2000s covers the work of newer voices such as Monica Ali Mark Haddon Tom McCarthy David Peace and Zadie Smith as well as those more established such as Salman Rushdie Hilary Mantel and Ian McEwan making it an essential contribution to reading defining and understanding the decade **The 1980s: A Decade of Contemporary British Fiction** Philip Tew, Emily Horton, Leigh Wilson, 2014-02-27 How did social cultural and political events in Britain during the 1980s shape contemporary British fiction Setting the fiction squarely within the context of Conservative politics and questions about culture and national identity this volume reveals how the decade associated with Thatcherism frames the work of Kazuo Ishiguro Martin Amis and Graham Swift of Scottish novelists and new diasporic writers How and why 1980s fiction is a response to particular psychological social and economic pressures is explored in detail Drawing on the rise of individualism and the birth of neo liberalism contributors reflect on the tense relations between 1980s politics and realism and between elegy and satire Noting the creation of a heritage industry during the decade the rise of the historical novel is also considered against broader cultural changes Viewed from the perspective of more recent theorisations of crisis following both 9 11 and the 21st century financial crash this study makes sense of why and how writers of the 1980s

constructed fictions in response to this decade's own set of fundamental crises
