Battle Of Burma:

Battle for Burma E. D. Smith, 1979 The Battle for Burma, 1942-1945 Philip Jowett, 2021-06-09 The battle for Burma during the Second World War was of vital importance to the Allies and the Japanese The Allies fought to protect British India and force the Japanese out of Burma the Japanese fought to defend the north west flank of their newly conquered empire and aimed to strike at India where anti British feeling was growing stronger Yet the massive military efforts mounted by both sides during four years of war are often overshadowed by the campaigns in Europe North Africa the Pacific and China Philip Jowett using over 200 wartime photographs many of them not published before retells the story of the war in Burma in vivid detail illustrating each phase of the fighting and showing all the forces involved British American Chinese Indian Burmese as well as Japanese His book is a fascinating introduction to one of the most extreme but least reported struggles of the entire war The narrative and the striking photographs carry the reader through each of the major phases of the conflict from the humiliation of the initial British defeat in 1942 and retreat into India and their faltering attempts to recover the initiative from 1943 to the famous Chindit raids behind Japanese lines the Japanese offensive of 1944 and their disastrous retreat and ultimate defeat *Burma '44* James Holland, 2024-06-11 Celebrated historian of World War II James Holland chronicles the astonishing Allied victory at the Battle of the Admin Box in Burma now Myanmar a turning point of the war in the Far East In February 1944 in one of the most astonishing battles of World War II a ragtag collection of British clerks drivers doctors muleteers and other base troops stiffened by a few dogged Yorkshiremen and a handful of tank crews managed to defeat a much larger and sophisticated contingent of some of the finest infantry in the Japanese army on their march towards India What became known as the Battle of the Admin Box fought amongst the paddy fields and jungle of Northern Arakan over a fifteen day period turned the battle for Burma Not only was it the first decisive victory for Allied troops against the Japanese more significantly it demonstrated how the Japanese could be defeated Lessons learned in this otherwise insignificant corner of the Far East set up the campaign in Burma that would follow as General William Slim s Fourteenth Army finally turned the tide of the war in the East In Burma 44 acclaimed World War II historian James Holland offers a dramatic tale of victory against incredible odds As momentous as the Battle of the Bulge ten months later the Admin Box was a triumph of human grit and heroism and remains one of the most significant yet underappreciated conflicts of the entire war In Holland s hands it is finally given its proper place in the history of World War II *The Battle for Burma, 1943-1945* John Grehan, Martin Mace, 2015-08-31 Despatches in this volume include that on operations in Burma and North East India between November 1943 and June 1944 by General Sir George J Giffard the despatch on operations in Assam and Burma between June 1944 June and November 1944 by General Sir George J Giffard Commander in Chief the despatch on Naval operations in the Ramree Island area Burma in January and February 1945 by Vice Admiral Sir Arthur J Power Commander in Chief East Indies Station and the despatch on operations in Burma between November 1944 and August 1945 by Lieutenant General Sir Oliver Leese

This unique collection of original documents will prove to be an invaluable resource for historians students and all those interested in what was one of the most significant periods in British military history *The Battle for Burma* Roy Conyers Nesbit,2009 The struggle of British Commonwealth and American Chinese troops against the Japanese in Burma was one of the decisive campaigns of the Second World War With British India significantly threatened by the relentless Japanese advance the fate of the British Empire in the East hung in the balance The tropical climate of dense malarial jungle infested with vermin and swept by torrential monsoon rains made the fighting for both sides a remarkable feat of arms Yet the war in Burma rarely receives the attention it deserves Roy C Nesbit aims to change this In vivid detail he describes the British retreat and humiliation at the hands of the Japanese invaders in 1942 with some men fighting and retreating almost a thousand miles the longest distance in British history The Allied response was to build up their forces on a massive scale eventually numbering over 1 300 000 personnel and to train them to fight in jungle conditions Their counter offensive launched in 1944 culminated in the battle at Imphal and Kohima which turned the course of the conflict and the reconquest of Burma was achieved just before the atom bomb was dropped Publisher description **Burma Victory** David Rooney,2013-05-20 In the final years of World War II the campaign against Japan stepped up in a series of bloody battles with each side having much to lose While much of the history of the period focuses on the Pacific Campaign and the American island hopping this book studies the forgotten war and the Allied fight to push the Japanese out of Burma The Allies British American Indian and Chinese soldiers saw the battles of Imphal and Kohima as a way to avenge the crushing defeats of 1942 while the Japanese viewed the battles as the precursor to a victorious drive into India and domination of Asia David Rooney examines the aims of both sides alongside the battles themselves which secured victory in Burma and the roles of Wingate Stilwell and the Chindits Following the defeats of 1942 the Allies re emerged to fight the Japanese their troops had seen a revival of morale with the new Fourteenth Army under General Slim and the development of new tactics and and Allied air and firepower superiority **The Battle for Burma** Roy Conyers Nesbit,2009-11-19 The struggle of British Commonwealth and American Chinese troops against the Japanese in Burma was one of the decisive campaigns of the Second World War British India was threatened by the Japanese advance the fate of the British Empire in the East hung in the balance The tropical climate dense malarial jungle infested with vermin and swept by monsoon rains made the fighting for both sides a remarkable feat of arms Yet the war in Burma rarely receives the attention it deserves Roy C Nesbit in this highly illustrated account traces the entire course of the campaign In vivid detail he describes the British retreat and humiliation at the hands of the Japanese invaders in 1942 The Japanese were fanatical and trained in jungle warfare well equipped and backed with an overwhelming air power The Allied response was to build up their forces on a massive scale eventually over 1 300 000 personnel were involved and to train them to fight in the jungle conditions Their counter offensive launched in 1944 culminated in the battles at Imphal and Kohima which turned the course of the conflict and the reconquest

of Burma was achieved just before the atom bomb was dropped The Battle for Burma, 1942-1945 Philip Jowett, 2021-06-30 The battle for Burma during the Second World War was of vital importance to the Allies and the Japanese. The Allies fought to protect British India and force the Japanese out of Burma; the Japanese fought to defend the north west flank of their newly conquered empire and aimed to strike at India where anti British feeling was growing stronger. Yet the massive military efforts mounted by both sides during four years of war are often overshadowed by the campaigns in Europe, North Africa, the Pacific and China. Philip Jowett, using over 200 wartime photographs, many of them not published before, retells the story of the war in Burma in vivid detail, illustrating each phase of the fighting and showing all the forces involved: British, American, Chinese, Indian, Burmese as well as Japanese. His book is a fascinating introduction to one of the most extreme but least reported struggles of the entire war. The narrative and the striking photographs carry the reader through each of the major phases of the conflict: from the humiliation of the initial British defeat in 1942 and retreat into India and their faltering attempts to recover the initiative from 1943 to the famous Chindit raids behind Japanese lines, the Japanese offensive of 1944 and their disastrous retreat and ultimate defeat.

The Battle of Burma, 1943-1945 John Grehan, Martin Mace, 2015 Despatches in this volume include that on operations in Burma and North East India between November 1943 and June 1944 by General Sir George J Giffard; the dispatch on operations in Assam and Burma between June 1944 and November 1944 by General Sir George J Giffard, Commander in Chief; the dispatch on Naval operations in the Ramree Island area, Burma, in January and February 1945 by Vice Admiral Sir Arthur J Power, Commander in Chief East Indies Station; and the dispatch on operations in Burma between November 1944 and August 1945 by Lieutenant General Sir Oliver Leese. This unique collection of original documents will prove to be an invaluable resource for historians, students and all those interested in what was one of the most significant periods in British military history.

The War in Burma Roy McKelvie, 2021-11-21 This book, first published in 1948, is an in depth examination of the campaigns in Burma following the Japanese invasion in 1942 until after the surrender in 1945. The author, a military observer under Admiral Mountbatten, offers here impartial judgements and an objective narrative. He analyses the initial British failures, the straining of Anglo American relations, the overcoming of military difficulties and the final victory of the combined British, Indian, American and Chinese forces. The book gives a clear and comprehensive look at the Burma war, puts it into perspective and does not shy away from controversy over the management of the Allied campaign.
