Battle for the Solomons (Illustrated) Ira Wolfert, 2019-10-10 Battle for the Solomons is Pulitzer Prize winning reporter Ira Wolfert's dazzling account of the fierce land sea and air fighting in the Solomon Islands during 1942 Wolfert was in the thick of it facing death alongside the troops and he reproduces events as they happen in real time making for a tense suspenseful read Wolfert risked his life on several occasions for the sake of authenticity and survived to write this one of the most remarkable combat memoirs of World War 2 *New Georgia* Ronnie Day, 2016-02-15 A detailed up to date integrated air land sea history of a pivotal WWII campaign in the Pacific from both American and Japanese perspectives Vincent P O Hara author of *In Passage Perilous* In 1942 the Solomon Islands formed the stepping stones toward Rabaul the main base of Japanese operations in the South Pacific and the Allies primary objective The stunning defeat of Japanese forces at the Naval Battle of Guadalcanal in November marked the turning point in the war against Japan and the start of an offensive in the Central Solomons aimed at New Georgia New Georgia The Second Battle for the Solomons tells the story of the land sea and air battles fought there from March through October 1943 Making careful and copious use of both Japanese and Allied sources Ronnie Day masterfully weaves the intricate threads of these battles into a well crafted narrative of this pivotal period in the war As Day makes clear combat in the Solomons exemplified the war in the Pacific especially the importance of air power something the Japanese failed to understand until it was too late and the strategy of island hopping bypassing Japanese strongholds including Rabaul in favor of weaker or more strategically advantageous targets This multifaceted account gives the fighting for New Georgia its proper place in the history of the drive to break the Japanese defensive perimeter and bring the homeland within range of Allied bombers **South Pacific Destroyer** Estate of R S

Crenshaw, 2009-09-01 Today only a select few know firsthand what it is like to feel their ship shudder from the blast of their own guns watch enemy guns flash back and see friendly ships erupt in flames Russell Crenshaw is one of those few His riveting account of the savage night battle for the Solomon Islands in early 1943 offers readers a unique insider's perspective from the decks of one of the destroyers that bore the brunt of the struggle Russell Crenshaw was a gunnery officer on the USS Maury His vivid balanced and detailed narrative includes the Battle of Tassafarunga in November 1942 and Vella Gulf in August 1943 actions that earned his warship a Presidential Unit Citation and sixteen battle stars Crenshaw also discusses the impact of radar and voice radio the shortcomings of U S torpedoes and gunfire and the devastating effectiveness of Japan

s super torpedo A Battle History of the Imperial Japanese Navy Paul Dull,2012-12-12 For almost 20 years more than 200 reels of microfilmed Japanese naval records remained in the custody of the U S Naval History Division virtually untouched This unique book draws on those sources and others to tell the story of the Pacific War from the viewpoint of the Japanese Former Marine Corps officer and Asian scholar Paul Dull focuses on the major surface engagements of the war Coral Sea Midway the crucial Solomons campaign and the last ditch battles in the Marianas and Philippines Also included are detailed track charts and a selection of Japanese photographs of major vessels and actions **South Pacific Destroyer** Russell Sydnor Crenshaw,2014-05-10 A riveting inside look at the experiences of a gunnery officer in the Solomon Islands on the highly decorated USS Maury during World War II **Pacific Battle Line** Foster Hailey,2017-07-11 This book is an attempt to correlate the first two years of the Pacific war to put events in their proper Much of the material contained was gathered firsthand as a correspondent for the New York Times at sea and ashore with the navy the marines and the army from Christmas Day 1941 to the conclusion of the Aleutian campaign in August 1943 Where events portrayed were not actually participated in the information has been gleaned from official records or from conversations with the men who took part in them No effort has been made to present this war as anything but what it is the ultimate insanity of civilization All of war is hard work much of it is boring a fact to which any man will attest who has taken part in one But the exigencies of war also bring out in many men traits you would not know they had patience under pressure cheerfulness under great difficulty stoicism under pain raw courage in the face of terrible danger An effort has been made to tell that too Here then is the record as one reporter saw it a record written in blood and sweat of the first two years of the war in the Pacific There are many reasons of course for writing a book The principal reason for writing this one is this that the men with whom I shared some of the hardships and some of the dangers deserve to have their story told and told as objectively and factually as I can tell it If they believe that I have made an honest effort to do that and have achieved some success that will be satisfaction enough for the correspondent from the Times *History of United States Naval Operations in World War II: The struggle for Guadalcanal, August 1942-February 1943* Samuel Eliot Morison,2001 During the six months covered by Volume 5 The Struggle for Guadalcanal August 1942 February 1943 the U S Navy fought six major engagements in waters surrounding Guadalcanal more bitter and bloody than any naval battle in American history since 1814 From the Solomon Islands campaigns to the courageous action of Edson s Raiders at the Battle of the Bloody Ridge from the great three day Naval Battle of Guadalcanal to the Battle of Tassafaronga Morison describes the events of these excruciating months in thrilling heartbreaking detail from the shipdecks cockpits and exposed ridge tops where the fate of thousands of soldiers and sailors was decided **Marines in the Central Solomons** John N.
