Big Star Fallin Mama Five Women In Black Music:

Big Star Fallin' Mama Hettie Jones, 1974 Portraits of five Black women and the kind of music they sang during a period of social change Includes Ma Rainey Bessie Smith Mahalia Jackson Billie Holiday and Aretha Franklin *Martin & Mahalia: His Words, Her Song* Andrea Davis Pinkney, 2013-07-30 They were each born with the gift of gospel Martin's voice kept people in their seats but also sent their praises soaring Mahalia's voice was brass and butter strong and smooth at the same time With Martin's sermons and Mahalia's songs folks were free to shout to sing their joy On August 28 1963 Martin Luther King Jr gave his famous I Have a Dream speech from the steps of the Lincoln Memorial and his strong voice and powerful message were joined and lifted in song by world renowned gospel singer Mahalia Jackson It was a moment that changed the course of history and is imprinted in minds forever Told through Andrea Davis Pinkney's poetic prose and Brian Pinkney's evocative illustration the stories of these two powerful voices and lives are told side by side as they would one day walk following the journey from their youth to a culmination at this historical event when they united as one and inspiring kids to find their own voices and speak up for what is right *Women, Writing, and Prison* Tobi Jacobi, Ann Folwell

Stanford, 2014-11-13 This collection includes a kaleidoscope of voices and perspectives from prisoners former prisoners scholars and activists to examine the extraordinarily invisible and closed system of incarceration that characterizes the massive U S prison industry The book explores in multiple ways the role of writing in carceral settings including material realities ethics and social justice It is a book about the power of writing as well as its limits It is a book that celebrates and critiques challenges and reveals It is a book that like the writing of incarcerated women repays careful reading **Beat Myths in Literature** Estibaliz Encarnación-Pinedo, 2023-09-22 *Beat Myths in Literature* reassesses the work of women poets associated with the Beat Generation from the critical lens of revisionist discourses Using the metaphor and the critical lens of looking back an act infused with feminist implications after Adrienne Rich 1972 the volume focuses on poetry fiction and autobiographical writing to analyze the different ways in which Beat women used revisionist discourses to refashion the Beat Generation and establish themselves as literary and artistic subjects Offering the first comprehensive study of the use of mythology in the Beat Generation *Beat Myths in Literature: Revisionist Strategies in Beat Women* focuses on the specific re writing or revisioning of mythical texts As such it studies the ways in which Beat poets incorporate mythology into their works both through the feminist reinvention or appropriation of ancient myths but also by debunking more contemporary myths used to contain women in particular social and artistic roles Furthermore this volume expands Rich's notion of revision considering memoirs and autobiographies as factual and fictional re interpretations of history Seen through the eyes of revisionist studies and the poets investment in personal myth the book establishes new points of entrance into works that allow us to explore the feminist political and poetical relevance of the work of Beat women **Popular Abstracts** Ray Broadus Browne, 1979 *Popular Abstracts* is a reference tool providing access to information appearing in past issues of three

journals published by the Bowling Green Popular Press Abstracts are included for each article appearing in the first ten volumes of *The Journal of Popular Culture* 1967-1977 the first five volumes of *The Journal of Popular Film* 1972-1977 and the first four volumes of *Popular Music and Society* 1971-1975 *The Roots of Texas Music* Lawrence Clayton, Joe W. Specht, 2005-09-09 The music of Texas and the American Southwest is as diverse and distinctive as the many different groups who have lived in the region over the past several centuries writes Gary Hartman in his introduction to this refreshingly different look at various genres of Texas music *Roots of Texas Music* celebrates the diverse sources of the music of the Lone Star State by gathering chapters by specialists on each of them specialists whose views may not have dominated the perception of Texas music to date Editor Lawrence Clayton conceived this project as one that would not simply repeat the common wisdom about Texas music traditions but rather would offer new perspectives He therefore called on contributors whose work had been well grounded but not necessarily widely published The result is a lively captivating and original look at the musical traditions of Texas Germans and Czechs black Creoles and Chicanos and blues and gospel singers Hartman's introduction places these repertoires within the larger picture of one of the most fertile musical seedbeds the nation knows The diverse genres included in the anthology also provide an introduction to the classes cultures races and ethnic groups of Texas and highlight the ways in which the state's musical wealth has influenced the listening habits of the nation *Love, H* Hettie Jones, 2016-09-22 It works we're in business yeah Babe So begins this remarkable selection from a forty year correspondence between two artists who survived their time as wives in the Beat bohemia of the 1960s and went on to successful artistic careers of their own From their first meeting in 1960 writer Hettie Jones then married to LeRoi Jones Amiri Baraka and painter and sculptor Helene Dorn 1927-2004 wife of poet Ed Dorn found in each other more than friendship They were each other's confidant emotional support and unflagging partner through difficulties defeats and victories from surviving divorce and struggling as single mothers to finding artistic success in their own right Revealing the intimacy of lifelong friends these letters tell two stories from the shared point of view of women who refused to go along with society's expectations Jones frames her and Helene's story adding details and explanations while filling in gaps in the narrative As she writes we defied the norm for women then because to live it would have been a kind of death Apart from these two personal stories there are as well reports from the battlegrounds of women's rights and tenant's rights reflections on marriage and motherhood and contemplation of the past to which these two had remained irrevocably connected Prominent figures such as Allen Ginsberg and Timothy Leary appear as well making *Love H* an important addition to literature on the Beats Above all this book is a record of the changing lives of women artists as the twentieth century became the twenty first and what it has meant for women considering such a life today It's worth a try Jones and Dorn show us offering their lives as proof that it can be done **May All Your Fences Have Gates** Alan Nadel, 1993-11-01 This stimulating collection of essays the first comprehensive critical examination of the work of two time Pulitzer Prize winning

playwright August Wilson deals individually with his five major plays and also addresses issues crucial to Wilson's canon: the role of history, the relationship of African ritual to African American drama, gender relations in the African American community, music and cultural identity, the influence of Romare Bearden's collages, and the politics of drama. The collection includes essays by virtually all the scholars who have currently published on Wilson, along with many established and newer scholars of drama and/or African American literature.

Using Literature to Help Troubled Teenagers Cope with Societal Issues Pamela Sissi Carroll, 1999-11-30 Teachers, media specialists, parents, and other adults who work with adolescents must recognize that our society influences who teenagers are and how they develop as language users. This unique resource provides guidance to these professionals by pairing literacy specialists with counselors who introduce information about social issues important to today's adolescents. These experts then explore literature in which issues such as body image, sexuality, and leaving home are addressed in ways likely to interest teens. By examining fictional characters, these experts provide guidance to those working with teenagers so they can encourage adolescents to deal with the conflicts and issues imposed upon them by our society while improving their reading and writing skills. Eight important social issues are explored, each in a separate chapter. While providing in-depth exploration of fictional characters grappling with these societal issues, each chapter also provides a question and answer section in which specialists answer questions many adults have raised regarding social influences on teenagers. Readers are given insight into how they can help teenagers with similar problems, and extensive annotated bibliographies recommend appropriate books to get teenagers reading and addressing these problems. This collaboration across academic specialties provides an innovative approach to attaining the goal of helping adults and adolescents in gaining a better understanding of each other.

Roots of Afrocentric Thought Clovis E. Semmes, 1998-02-12 The uniqueness, sweeping content, and timing of *Negro Digest* and *Black World* give it enormous historical and scholarly importance. The most influential and widely read Black literary magazine in the 1960s, *Negro Digest* played a critical role in the era's Black Arts and Black Consciousness movement and is the most complete voice of that movement. Renamed *Black World* in 1970, the magazine gave voice to scholars coining and developing the concept of Afrocentric and African-centered analysis. An analysis of Afrocentric methods and discourse would not be complete without an examination of this magazine. This reference guide provides easy access to this valuable publication. Part One includes chapters on Literature and Literary Criticism, History, Mass Media, and the Arts and Social and Political Analysis, which provide annotations on original articles and speeches. Part Two indexes original materials, including poetry, short stories, and plays, reviews, and interviews.
