N.C.

The min-ute you

walked in the joint, I could see you were a man of dis-tinc-tion, a

real big spend-er, good look-ing, so re-fined... Say,

wouldn't you like to know what's go-ing on in my mind?... go let me get

right to the point. I don't pop my cork for ev-'ry guy I see...

Hey! Big spend-er, spend a lit-tle time... with

me.

Big Spender:

Big Spender John McCabe, 2003 When miser par excellence Norbert Flint dies in a bizarre road accident he leaves behind only his masterpiece of financial parsimony First out of the Taxi Last to the Bar His nephew Jake Cooper nine fingered safety inspector and connoisseur of hazard prevention videos finds it and starts taking its wisdom to heart But for a man who urges safety in all things Jake has a curiously dangerous past which is starting to invade his present in the most alarming way Unless he takes some serious risks he's about to lose another finger Not only that he's getting suspicious about his uncle's demise And just when Jake believes life can't get any more treacherous he meets a woman who shows him that the most hazardous thing we are ever likely to do is fall in love Cassell's Dictionary of Slang Jonathon Green, 2005 With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998 Brilliant said Mark Lawson on BBC2's The Late Review This is a terrific piece of work learned entertaining funny stimulating said Jonathan Meades in The Evening Standard But now the world's best single volume dictionary of English slang is about to get even better Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible This has entailed trawling through more than 4000 books plus song lyrics TV and movie scripts and many newspapers and magazines for relevant material The research has thrown up some fascinating results The Glamorous Life 2 Nikki Turner, 2013-11-05 From New York Times bestselling author Nikki Turner comes the long awaited sequel to Glamorous Life Calliope learned at a very early age that if she wanted to survive in this world then she needed to stand on her own When she and her younger brother are abandoned by their mother Calliope steps up to the plate and takes care of them both but really all she really wants is to feel safe and to have a place that she and her brother can call their own But life takes her down paths she never dreamed and danger always seems to be a hair's breadth away At her darkest hour she meets Lynx and her life will never be the same Lynx has been released from prison and it should be a fresh start for him and Bambi But Lynx has discovered an insatiable appetite for gambling that threatens to bring both of them to ruin When he meets Calliope everything takes a dramatic new twist that will leave everyone reeling Big Deal Kevin Winkler, 2018-02-08 Bob Fosse 1927-1987 is recognized as one of the most significant figures in post World War II American musical theater With his first Broadway musical The Pajama Game in 1954 the Fosse style was already fully developed with its trademark hunched shoulders turned in stance and stuttering staccato jazz movements Fosse moved decisively into the role of director with Redhead in 1959 and was a key figure in the rise of the director choreographer in the Broadway musical He also became the only star director of musicals of his era a group that included Jerome Robbins Gower Champion Michael Kidd and Harold Prince to equal his Broadway success in films Following his unprecedented triple crown of show business awards in 1973 an Oscar for Cabaret Emmy for Liza with a Z and Tony for

Pippin Fosse assumed complete control of virtually every element of his projects But when at last he had achieved complete autonomy his final efforts the film *Star 80* and the musical *Big Deal* written and directed by Fosse were rejected by audiences and critics A fascinating look at the evolution of Fosse as choreographer and director *Big Deal Bob Fosse and Dance in the American Musical* considers Fosse's career in the context of changes in the Broadway musical theater over four decades It traces his early dance years and the importance of mentors George Abbott and Jerome Robbins on his work It examines how each of the important women in his adult life all dancers impacted his career and influenced his dance aesthetic Finally the book investigates how his evolution as both artist and individual mirrored the social and political climate of his era and allowed him to comfortably ride a wave of cultural changes

Revisiting Sexualities in the 21st Century Constantinos N. Phellas, 2015-04-01 Sexual interactions are socially constructed within a historical social and cultural milieu and are continually defined and redefined accordingly depending on the surrounding economic political moral and religious social forces Although the human capacity for sexual expression spans a wide range of variations and permutations it is nonetheless seriously confined limited and restricted to only a few acceptable forms Western style sexual acceptability is in turn determined by the prevailing white heterosexual standards of patriarchy perpetuated through childhood masculine socialization and adolescent and adult machismo practices *Revisiting Sexualities in the 21st Century* examines a whole set of explanatory and definitional issues from the very outset particularly regarding what may be rightly included and excluded from its provenance and coverage The contributors to this book are brought together from three different methodological spheres qualitative quantitative and historical comparative Each author lays out the traditional parameters of the methodology used in their perspectives of social science research and openly discusses how they have been applied to the study of hetero sexuality non heterosexuality and the ways in which their theory and methodology may be improved Their contributions outline some of the major theoretical and methodological problems that still confront the study of modern sexualities while also presenting a selection of theoretical and methodological issues of interest to both new and experienced researchers This anthology identifies the need in contemporary social and cultural studies for more elaborate understandings of the relations of various masculinities and femininities to power nation empire violence race class and embodiment and in doing so brings together an eclectic multidisciplinary and wide ranging collection of essays The various contributions to this book will appeal to social scientists especially sociologists psychologists and sexologists biomedical scientists health professionals and other academic and professional audiences and students researchers and instructors of sexuality studies Undoubtedly with this collection sexuality studies comes of age as an academic field

[One Country, Two Systems](#) Kam C. Wong, 2017-07-28 The legal issues evoked by cross border crime in Hong Kong and China are sparse and what does exist is mostly in Chinese This book provides the first systematic comprehensive and in depth analysis of how Chinese British Hong Kong and international law were applied in the Big Spender case Kam C Wong outlines the respective positions of various

parties to the dispute Part of the case s fascination involves competing interests and that political clout counted for more than legal theory Big Spender may be little known outside Hong Kong and China but he made history there It was the first time a Hong Kong legal resident had been prosecuted tried and ultimately executed in China for acts largely perpetrated in Hong Kong The case tested the limits of the one country two systems approach under which Hong Kong and China coexist It also forced politicians government officials and the public in both Hong Kong and China to come to terms with the legal and policy issues related to cross border crime Wong sees the Big Spender case as making clear the dire need for both sides to find workable solutions to concurrent jurisdiction police cooperation and judicial assistance Until there is an acceptable arrangement governing the rendition of offenders between Hong Kong and mainland China the one country two systems formula cannot be stabilized This is a case study in large scale terms

Basic Budgeting , 2004

The Gate to China Michael Sheridan, 2021 The story of Hong Kong and the rise of China in an era of globalisation authoritarian power and democratic defiance The recent protests and crackdown in Hong Kong shook the world A prosperous city with its freedoms enshrined by international treaties and conventions Hong Kong is a unique part of the People s Republic of China Its passage from a British colony to Chinese rule was a joint diplomatic accomplishment But since then its people have struggled for democracy against dictatorship In *The Gate and the Wall* Michael Sheridan who served for two decades as a foreign correspondent in Asia provides a vivid modern history of Hong Kong from China s break with Maoism in 1977 its first step towards economic superpower status to the present Hong Kong stood astride two of the most important events in modern world history the rise of China and the economic transformation of East Asia Its great port and Chinese culture made it the natural gateway for China to reach a wider world after decades of self imposed isolation The drama of Hong Kong unfolds in rhythm with a new global economic order which we trace from its origins in southern China to Beijing s accession to the World Trade Organization and beyond Despite the symbiosis it was an uneasy partnership By the time the British left Hong Kong had westernized in important ways particularly in its politics That set it upon repeated collision courses with a revived authoritarian China determined to absorb the city into its own system Sheridan draws new insights from Chinese archives and memoirs as well as the papers of well known British leaders Margaret Thatcher and the last governor Chris Patten whose actions forged Hong Kong s destiny He gives a voice to Hong Kong s people its leaders its tycoons its hard working families and the young generation who made the fight for freedom a cause that resounds far beyond

the South China Sea More broadly The Gate and the Wall illuminates how economic globalization and the competing trends of democracy and dictatorship are shaping one of the world s most important regions 10 Passions of a Man's Soul Mark Elfstrand,2008-09-01 Morning show host of Moody Radio Network s flagship station in Chicago Mark Elfstrand uses interviews with ten dynamic powerfully gifted leaders to explore the driving passions that motivate authentic men of God Exploring topics such as power adventure purpose pleasure and wealth this transparent disclosure of men s innermost feelings brings up thought provoking questions and surprising revelations about contemporary leaders and historical figures Readers will discover the hidden leader waiting to emerge from within themselves
