Bigger Than The Sky Disabled Women On Parenting:

Bigger Than the Sky Rowen Jade, Michele Wates, 1999 This unique anthology challenges rigid limiting views of what it means to be a disabled woman and of what a parent is and does Disabled women describe having to fight for the right to become pregnant the poignant pleasure of teaching children the benefit of having a different mother and the sheer delight of involving themselves in a child's life Whether it be a birth mother an adoptive parent a godparent a friend or a woman who has made a positive choice not to become a parent these disabled women are asserting their right to explore the diversity of experience And in breaking free of society's restrictive definitions and taboos the writers in this collection demonstrate that the possibilities are limitless

Bigger Than the Sky Michele Wates, Rowen Jade, 2008 This is a unique anthology and first collection by disabled women exploring the issue of parenting It challenges rigid limiting views of what it means to be a disabled woman and of what a parent is and does

Motherhood and Disability O. Prilleltensky, 2004-05-25 This book explores the intersection between motherhood and physical disability It is based on a study that focused on the lived experiences of women with physical disabilities mothers and non mothers What meaning does motherhood have for these women What is it like for them What messages do they receive about themselves as women with or without children What barriers do they foresee and or come across These issues are explored from the vantage point of disabled women with and without children

Unruly Bodies Susannah B. Mintz, 2009-01-05 The first critical study of personal narrative by women with disabilities *Unruly Bodies* examines how contemporary writers use life writing to challenge cultural stereotypes about disability gender embodiment and identity Combining the analyses of disability and feminist theories Susannah Mintz discusses the work of eight American autobiographers Nancy Mairs Lucy Grealy Georgina Kleege Connie Panzarino Eli Clare Anne Finger Denise Sherer Jacobson and May Sarton Mintz shows that by refusing inspirational rhetoric or triumph over adversity narrative patterns these authors insist on their disabilities as a core but not diminishing aspect of identity They offer candid portrayals of shame and painful medical procedures struggles for the right to work or to parent the inventive joys of disabled sex the support and the hostility of family and the losses and rewards of aging Mintz demonstrates how these unconventional stories challenge feminist idealizations of independence and self control and expand the parameters of what counts as a life worthy of both narration and political activism *Unruly Bodies* also suggests that atypical life stories can redefine the relation between embodiment and identity generally

Parenting and Disability Olsen, Richard, Clarke, Harriet, 2003-04-16 This book reports on the first substantial UK study of parenting disability and mental health which examines the views of parents and children in 75 families It provides a comprehensive review of relevant policy issues explores the barriers to full participation in parenting that disabled parents face examines the complex ways in which broader social issues interact with disability and advocated measures to support disabled parents and their families

Parents with Intellectual Disabilities Gwynnyth Llewellyn, Rannveig Traustadottir, David McConnell, Hanna Bjorg Sigurjonsdott, 2010-02-18 The first international cross disciplinary book to explore and understand the lives of parents with intellectual disabilities their children and the systems and services they encounter Presents a unique pan disciplinary overview of this growing field of study Offers a human rights approach to disability and family life Informed by the newly adopted UN Convention on the Rights of Persons with Disabilities 2006 Provides comprehensive research based knowledge from leading figures in the field of intellectual disability

Participatory Action Research Approaches and Methods Sara Kindon, Rachel Pain, Mike Kesby, 2007-12-18 Participatory Action Research PAR approaches and methods have seen an explosion of recent interest in the social and environmental sciences PAR involves collaborative research education and action which is oriented towards social change representing a major epistemological challenge to mainstream research traditions It has recently been the subject of heated critique and debate and rapid theoretical and methodological development This book captures these developments exploring the justification theorisation practice and implications of PAR It offers a critical introduction to understanding and working with PAR in different social spatial and institutional contexts The authors engage with PAR s radical potential while maintaining a critical awareness of its challenges and dangers The book is divided into three parts The first part explores the intellectual ethical and pragmatic contexts of PAR the development and diversity of approaches to PAR recent poststructuralist perspectives on PAR as a form of power the ethic of participation and issues of safety and well being Part two is a critical exploration of the politics places and practices of PAR Contributors draw on diverse research experiences with differently situated groups and issues including environmentally sustainable practices family livelihoods sexual health gendered experiences of employment and specific communities such as people with disabilities migrant groups and young people The principles dilemmas and strategies associated with participatory approaches and methods including diagramming cartographies art theatre photovoice video and geographical information systems are also discussed Part three reflects on how effective PAR is including the analysis of its products and processes participatory learning representation and dissemination institutional benefits and challenges and working between research action activism and change The authors find that a spatial perspective and an attention to scale offer helpful means of negotiating the potentials and paradoxes of PAR This approach responds to critiques of PAR by highlighting how the spatial politics of practising participation can be mobilised to create more effective and just research processes and outcomes The book adds significant weight to the recent critical reappraisal of PAR suggesting why when where and how we might take forward PAR s commitment to enabling collaborative social transformation It will be particularly useful to researchers and students of Human Geography Development Studies and Sociology

Feminist, Queer, Crip Alison Kafer, 2013-05-16 A critical analysis of how social and academic discourses treat disability and how they affect disabled lives This book breathes

the poetics of disability life a life that is consistently under threat in a way that is complex clear highly accessible and grounded in the politics of everyday life For this reason it may not be just that this book is highly teachable which it is this is a book that must be included in any disability studies queer theory and feminist theory curricula Canadian Journal of Disability Studies In Feminist Queer Crip Alison Kafer imagines a different future for disability and disabled bodies Challenging the ways in which ideas about the future and time have been deployed in the service of compulsory able bodiedness and able mindedness Kafer rejects the idea of disability as a pre determined limit She juxtaposes theories movements and identities such as environmental justice reproductive justice cyborg theory transgender politics and disability that are typically discussed in isolation and envisions new possibilities for crip futures and feminist queer crip alliances This bold book goes against the grain of normalization and promotes a political framework for a more just world Feminist Queer Crip makes significant contributions to our understanding of how disability works in the world contributions that no other academic book in the recently emergent field of interdisciplinary disability studies has done so thoroughly Journal of Literary and Cultural Disability Studies Ambitious doggedly interdisciplinary and accessibly written It retains political sharpness while remaining determinedly optimistic about queer crip futures QED Kafer interrogates the ableist assumptions that pervade social and academic discourses and offers a critique of how these assumptions are put into practice in ways that directly affect the lives of people with disabilities This is an original and comprehensive work that brings together disability studies feminist theory and queer theory Licia Carlson Providence College

Disabled Mothers: Stories and Scholarship By and About Mother with Disabilities Gloria Filax, 2014-03-01 This collection of 18 scholarly works and personal accounts from Canada the U S and Australia explores and analyzes issues of parenting by mothers with a variety of physical and mental disabilities The book delves into pregnancy birth adoption child custody discrimination and disability politics Noticing dominant ideas meanings and narratives about mothering and disability as the contributors of this book do exposes how the actual lives and experiences of mothers with disabilities are key to challenging cultural norms and therefore discrimination
