Jamie Linehan,Ben Boyce,Claire K. Smith,2007 *Plural Logic* Alex Oliver,Timothy Smiley,2016-11-04 Alex Oliver and Timothy Smiley provide a natural point of entry to what for most readers will be a new subject Plural logic deals with plural terms Whitehead and Russell Henry VIII's wives the real numbers the square root of 1 they plural predicates surrounded the fort are prime are consistent imply and plural quantification some things any things Current logic is singularist its terms stand for at most one thing By contrast the foundational thesis of this book is that a particular term may legitimately stand for several things at once in other words there is such a thing as genuinely plural denotation The authors argue that plural phenomena need to be taken seriously and that the only viable response is to adopt a plural logic a logic based on plural denotation They expound a framework of ideas that includes the distinction between distributive and collective predicates the theory of plural descriptions multivalued functions and lists A formal system of plural logic is presented in three stages before being applied to Cantorian set theory as an illustration Technicalities have been kept to a minimum and anyone who is familiar with the classical predicate calculus should be able to follow it The authors approach is an attractive blend of no nonsense argumentative directness and open minded liberalism and they convey the exciting and unexpected richness of their subject Mathematicians and linguists as well as logicians and philosophers will find surprises in this book This second edition includes a greatly expanded treatment of the paradigm empty term zilch a much strengthened treatment of Cantorian set theory and a new chapter on higher level plural logic *The Secret Prison Governor* The Secret Prison Governor,2022-02-03 Unedited uncensored and unbelievable this book shows the harsh reality of life behind bars from a real

prison governor who spares no details How do you bring order to the lawless The Secret Prison Governor has spent decades surrounded by every type of prisoner known to man from petty thieves and street level drug dealers to crime bosses and dangerous serial killers Since starting as a rookie he has experienced the reality of the UK's harsh prison system and the hard challenge of ruling those within it In his own words the Secret Prison Governor spares no detail of prison life whether that's breaking up shiv fights crushing vast underworld networks negotiating with hostage takers or dealing with full scale cellblock gang wars This is the truth of what life is like behind bars [Conflict and Resolution: The Ethics of Forgiveness, Revenge, and Punishment](#) Paula Satne, Krisanna M. Scheiter, 2022-05-05 Given the current climate of political division and global conflict it is not surprising that there has been an increasing interest in how we ought to respond to perceived wrongdoing both personal and political In this volume top scholars from around the world contribute all new original essays on the ethics of forgiveness revenge and punishment This book draws on both historical and contemporary debates in order to answer important questions about the nature of forgiveness the power of apology the relationship between punishment and revenge the path to reconciliation the morality of blame and the role of forgiveness in political conflict Chapter 16 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com *Diary of a Rural GP: Hilarious True Stories from a Country Practice* Michael Sparrow, 2021-01-28 Recently retired Dr Sparrow reveals with refreshing candour and dark humour the most memorable experiences of his career as a rural GP From sewing back on a patient's chiselled finger on a call out and the emergency countryside delivery inspired by James Herriot to suddenly remembering the body left in the back of a Volvo and a small oversight that blew up the local crematorium Dr Sparrow spares no blushes **The Mindblower Families** Randall Edward Foss, 2016-10-15
