**William Langford**

## **Battle Of The Somme:**

**The Battle of the Somme (The Complete Two-Volume Edition)** John Buchan, 2022-11-13 John Buchan's *The Battle of the Somme: The Complete Two Volume Edition* offers a compelling and vivid account of one of World War I's most significant battles capturing the enormity of the events and the profound human experiences within. Through meticulous research and a narrative style that blends both historical detail and literary flair, Buchan provides insights into the strategies, the soldiers' experiences, and the battle's impact on the war and society. The work stands out not only for its historical breadth but also for its emotional depth, encapsulating the bravery, tragedy, and heroism of those involved amidst the chaos of conflict. Born in 1875, John Buchan was a Scottish author, historian, and politician whose diverse experiences shaped his narrative approach to military history. His background in law, politics, and journalism, coupled with his own experiences as a soldier during World War I, allows Buchan to weave personal narratives within larger historical contexts, making his accounts both relatable and profound. His passion for storytelling and respect for the sacrifices made during the war inform the depth of emotion conveyed through his prose. *The Battle of the Somme* is a must-read for historians, scholars, and general readers intrigued by the Great War. Buchan's unique perspective and masterful storytelling invites readers to reflect on the lessons of history and the enduring human spirit amidst adversity. This two-volume edition serves not only as a historical account but also as a powerful reminder of the cost of war.

**Three Armies on the Somme** William Philpott, 2010-10-05 For decades, the Battle of the Somme has exemplified the horrors and futility of trench warfare. Yet in *Three Armies on the Somme*, William Philpott makes a convincing argument that the battle ultimately gave the British and French forces on the Western Front the knowledge and experience to bring World War I to a victorious end. It was the most brutal fight in a war that scarred generations. Infantrymen lined up opposite massed artillery and machine guns. Chlorine gas filled the air. The dead and dying littered the shattered earth of no man's land. Survivors were rattled with shell shock. We remember the shedding of so much young blood and condemn the generals who sent their men to their deaths. Ever since the Somme has been seen as a waste, even as the war continued, respected leaders like Winston Churchill and David Lloyd George among them judged the battle a pointless one. While previous histories have documented the missteps of British command, no account has fully recognized the fact that allied generals were witnessing the spontaneous evolution of warfare even as they sent their troops over the top. With his keen insight and vast knowledge of military strategy, Philpott shows that twentieth-century war as we know it simply didn't exist before the Battle of the Somme. New technologies like the armored tank made their battlefield debut, while developments in communications lagged behind commanders' needs. Attrition emerged as the only means of defeating industrialized belligerents that were mobilizing all their resources for war. At the Somme, the allied armies acquired the necessary lessons of modern warfare without which they could never have prevailed. An exciting, indispensable work of military history that challenges our received ideas about the Battle of the Somme and about the very nature of war.

**Somme 1916** Paul Kendall,2015-11-30 Much controversy has surrounded the Somme offensive relating to its justification and its impact upon the course of the war General Sir Douglas Haig's policies have been the subject of considerable debate about whether the heavy losses sustained were worth the small gains that were achieved which appeared to have little strategic value

That was certainly the case on many sectors on 1 July 1916 where British soldiers were unable to cross No Man's Land and failed to reach or penetrate into the German trenches In other sectors however breaches were made in the German lines culminating in the capture that day of Leipzig Redoubt Mametz and Montauban

This book aims to highlight the failures and successes on that day and for the first time evaluate those factors that caused some divisions to succeed in capturing their objectives whilst others failed An important new study this book is certain to answer these questions as well as challenging the many myths and misconceptions surrounding the battle that have been propagated for the last 100 years

The Battle of the Somme Matthias Strohn,2016-04-21 The Battle of the Somme is the most famous battle of World War I in the English speaking world Published to coincide with the centenary commemoration of the battle of the Somme this study comprises 12 separate articles written by some of the foremost military historians each of whom looks at a specific aspect of the battle The terrors of the Somme have largely come to embody trench warfare on the Western Front in the modern imagination but this book looks beyond the horrendous conditions and staggering casualty rates to provide new insightful research on one of the most pivotal battles of the war Focusing on key aspects of the British French and German forces overall strategic and tactical impacts of the battle and with an introduction by renowned World War I scholar Professor Sir Hew Strachan The Battle of the Somme is a timely collection of the latest research and analysis of the battle

*Great Push* William Langford,2012-10-30 In 1916 Sir Douglas Haig commanding the BEF began his great offensive to drive the invaders off the ground they had been occupying for over a year and a half The Great Push as the offensive was advertised to the nation began 1 July 1916 A glossy picture magazine was produced to inform the British public of the progress of the offensive Over a four month period until the Battle of the Somme faded away in November the magazine appeared with the following advertising blurb Sir Douglas Haig's Great Push The Battle of the Somme A popular pictorial and authoritative work on one of the Greatest Battles in History illustrated by about 700 wonderful Official Photographs and Cinematograph Films By Arrangement With the War Office beautifully printed on the Best English Art Paper As is well known the Great Push turned out to be little more than a nudge but for the sake of national morale the British public had to be encouraged to believe that all was going well especially in view of the horrific casualties wrecking the lives of families throughout the land The Great Push in the form of Images of War helps capture the propaganda thrust of the times and presents once more the illustrations of those bewildering days

**The Battle of the Somme** Alan Axelrod,2016-10-03 Fought during 1916 the Battle of the Somme was conceived by the French and British as a great offensive to be waged against Germany even as France poured incredible numbers of men into the slaughterhouse that was

the desperate defense of Verdun The French general in chief Joseph Papa Joffre was especially anxious to go on the offensive For the French high command cherished the belief born in the era of Napoleon that the success of French arms depended on attack and that defense was anathema to what the nationalistic philosopher Henri Bergson called the *lan vital* of the French people a quality he argued that set the Gallic race apart from the rest of the world After more than five months the British eked out a penetration of some six miles into German territory The cost had been 420 000 Britons killed or wounded 70 000 men per mile gained and most of these were from Kitchener's Army so called Pals Battalions working and middle class volunteers promised that they could fight alongside their friends co workers and neighbors This meant that the Somme more than any other battle before or since devastated the young male population of entire British towns villages and neighborhoods French losses were just under 200 000 The Germans lost at least 650 000 Just as the French refused to give up ground at Verdun the Germans held on stubbornly at the Somme so stubbornly that General Ludendorff actually complained that his men fought too doggedly clinging too resolutely to the mere holding of ground with the result that the losses were heavy The only thing conclusive about the Somme was the ineluctable fact of death No battle ever fought in any conflict provided a stronger incentive for all sides to reach a negotiated peace the peace without victory that Woodrow Wilson still standing on the sidelines urged the combatants to agree upon Instead the Kaiser appalled both by Verdun and the Somme relieved Falkenhayn and replaced him with Hindenburg and Ludendorff who had achieved great success on the Eastern Front The new commanders created two new defensive lines both well behind the Somme front On the one hand it was a retreat On the other it was a commitment to draw the French and British farther east and invite them to sacrifice more of their soldiery The modest advance the British made was but the prelude to additional slaughter *Somme 1916* Andrew Robertshaw, 2014-06-01 One of the bloodiest battles in military history what happened and why The Battle of the Somme raged from July 1 to November 18 1916 and was one of the bloodiest fought in military history It has come to signify for many the waste and bloodshed of World War I as hundreds of thousands of men on all sides lost their lives fighting over small gains in land Yet this battle also marked a turning point in the war and was witness to new methods of warfare such as all arms integrated attacks with infantry units and the new Tank Corps fighting alongside each other Complete with detailed maps and photographs as well as fascinating facts and profiles of the leaders this is the best introduction to this legendary battle

*The Battles of the Somme, 1916* Fred R. van Hartesveldt, 1996-05-30 The 1916 Anglo French offensive comprising the battles of the Somme marked a change in the Allies relationships with the British beginning to play a more important role From contemporaries to the present the Somme has also produced a number of controversies This book shows the current state of historians interpretations of the Somme The initial section presents the historical background of the offensive lays out the major interpretative disputes and identifies the scholars and works in each school of thought The second section provides a bibliography of more than 700 entries The initial section of the book presents the historical background of the

offensive and lays out the major interpretative disputes about it The section identifies scholars and works in each school of thought enables readers to determine where a specific work fits in the spectrum of views and provides cross references to the bibliography The second section provides an annotated bibliography of more than 700 entries Forgotten Voices of the Somme Joshua Levine, 2008-12-02 1916 The Somme With over a million casualties it was the most brutal battle of World War I It is a clash that even now over 90 years later remains seared into the national consciousness conjuring up images of muddy trenches and young lives tragically wasted Its first day July 1st 1916 on which the British suffered 57 470 casualties including 19 240 dead is the bloodiest day in the history of the British armed forces to date On the German side an officer famously described it as the muddy grave of the German field army By the end of the battle the British had learned many lessons in modern warfare while the Germans had suffered irreplaceable losses ultimately laying the foundations for the Allies final victory on the Western Front Drawing on a wealth of material from the vast Imperial War Museum Sound Archive Forgotten Voices of the Somme presents an intimate poignant sometimes even bleakly funny insight into life on the front line from the day to day struggle of extraordinary circumstances to the white heat of battle and the constant threat of injury or death Featuring contributions from soldiers of both sides and of differing backgrounds ranks and roles many of them previously unpublished this is the definitive oral history of this unique and terrible conflict **The Somme** Peter Barton, 2011-02-24 Peter Barton s landmark volume presents over 50 original panoramas of the battlegrounds of the Somme They show what no other photographs can the view from the trench parapet and a great deal more This revised edition also includes stunning new details of the use and misuse of an extraordinary network of Russian Saps installed during the two months prior to battle These tunnels beneath no man s land often brought the British unseen to within 10 metres of the German trenches yet over secrecy and poor communication led to most being left unexploited In the sectors where they were employed success was dramatic Plus a host of previously unpublished personal testimony and a fresh look at several unseen and forgotten aspects of the battle such as the Royal Engineers Push Pipes Bored Mines and huge Livens Flame Projectors Here is the Somme as you have never seen it before Praise for The Battlefields of the First World War An extraordinary set of panoramic photographs that reveal the battlefields of the Western Front as never before The Times Astonishing made my heart sigh Independent Without doubt the best publication on the Great War in many years a superb piece of work Western Front Association

This Captivating World of E-book Books: A Comprehensive Guide Revealing the Benefits of Kindle Books: A Realm of Ease and Flexibility Kindle books, with their inherent portability and simplicity of availability, have liberated readers from the limitations of physical books. Gone are the days of carrying bulky novels or carefully searching for specific titles in shops. Kindle devices, sleek and portable, effortlessly store an extensive library of books, allowing readers to immerse in their favorite reads anytime, everywhere. Whether traveling on a busy train, relaxing on a sunny beach, or just cozying up in bed, E-book books provide an unparalleled level of ease. A Literary Universe Unfolded: Exploring the Wide Array of E-book Battle Of The Somme Battle Of The Somme The E-book Shop, a virtual treasure trove of literary gems, boasts an wide collection of books spanning diverse genres, catering to every readers taste and choice. From gripping fiction and mind-stimulating non-fiction to timeless classics and modern bestsellers, the E-book Shop offers an exceptional variety of titles to explore. ### **Battle Of The Somme Introduction**

In today's digital age, the availability of Battle Of The Somme books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Battle Of The Somme books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Battle Of The Somme books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing Battle Of The Somme versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Battle Of The Somme books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Battle Of The Somme books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Battle Of The Somme books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Battle Of The Somme books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Battle Of The Somme books and manuals for download and embark on your journey of knowledge?

**FAQs About Battle Of The Somme Books**

1. Where can I buy Battle Of The Somme books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Battle Of The Somme book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Battle Of The Somme books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Battle Of The Somme audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Battle Of The Somme books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
