Be All You Can Be:

Be All You Can Be Ady Rugeruz,2016-12-22 *Be All You Can Be* is a book written for people who want to be successful in business as entrepreneurs and business owners In this book Ady Rugeruz outlines ten steps you can easily follow to reach your full potential The theme throughout this book is that everyone was meant to be successful Unfortunately many people fail to find the purpose for their lives They don't believe in themselves they entrust their destiny into the hands of other people and they live in fear of failure The author of this book strongly believes that you can be all you want to be if you have a vision enjoy what you do and work hard He says that there are no secrets to success only a few steps and principles to follow He believes that you can be who you were meant to be reach your full potential and be successful If you passionately pursue success you will find it You can be all you want to be *Be All You Can Be* Shawn E. Hamilton,2014-03-24 There is something sad about a person who blindly sacrifices his life for his country for he is unaware of the real issues If a person can grasp the truth about war it can't help but color his thinking on such issues as draft dodging The name draft dodger suggests the evasion of a just debt or obligation In reality a draft dodger is either a person who rejects military service on religious or moral grounds or plainly doesn't want to allow himself to be killed Any of those reasons should be good enough and I don't think that he should be persecuted or prosecuted A person who is willing to sacrifice his life for his country is merely a dupe in the profit game of the military industrial complex A man who has the courage to stand up against such twisted idealism and refuse to be sacrificed for profiteers is no coward My opinion of the draft dodger differs from the opinion of many of my peers but then my generation is probably one of the biggest collections of fools on record Major Ralph E Hamilton WW2 Veteran 1976 *Be All You Can Be and Get Ready for the Future* William A.
