

Beachhead In Bohemia

Willard Marsh

Beachhead In Bohemia:

Beachhead in Bohemia Willard Marsh, 1969 **Beachhead in Bohemia** Willard Marsh, 1970 **Beachhead in Bohemia** Willard Marsh, 2019-10-15 Willard Marsh's collection of short stories presents a consistent theme of 20th Century Middle America's values in decline. These values: Christian faith, family, a tradition of carrying on from past to future, progress, are increasingly abandoned by Americans themselves who turn towards the ideas of money and power as a means of escape from the more negative aspects of the old values. As the stories and their subjects progress, we see them increasingly dehumanized by their own machinery.

Besieged Beachhead J. J. Valdés, 2024-11-05 On New Year's Day 1959 Fidel Castro's revolutionary movement overthrew the ruling regime in Cuba, bringing the Cold War to the United States doorstep and setting the island nation and its superpower neighbor on a collision course. The clash came in April 1961 on the southern coast of Cuba at the Bahía de Cochinos, the Bay of Pigs. In an hour-by-hour chronicle that is as even-handed as it is dramatic, J. J. Valdés gets to the heart of this Cold War battle from the beaches and skies of Cuba to the corridors of power in Washington and Havana. Long entangled in Cuba's economy and politics, the United States watched Castro's revolution carefully and grew wary as Castro drew closer to the Soviet Union. Within a few months, the CIA, with President Dwight Eisenhower's approval, was recruiting and training Cuban exiles for a paramilitary force to topple Castro. By early 1960, when John F. Kennedy became president after campaigning on a hard line on Cuba, policymakers believed the window for action was closing. Kennedy gave the go-ahead for the island's invasion but not before ordering changes aimed at concealing American involvement that weakened the operation. Early on April 17, 1961, 1,400 men of Brigade 2506, Cuban exiles trained by the CIA in Guatemala, began landing at the Bay of Pigs, just over 100 miles southeast of Havana. Nearly everything went wrong. Boat engines failed. Coral reefs snarled landing craft. Castro's planes destroyed ships carrying vital ammunition and medical supplies. Expected popular support within Cuba did not materialize. Khrushchev rattled the nuclear saber, spooking Kennedy from ordering assistance he was reluctant to provide anyway. Over the course of three days, the Brigade obstinately defended a rapidly shrinking beachhead, but the exiles, outnumbered and under-supported, were no match for the air and ground forces Castro threw against them. By April 19, the invasion had failed, and 1,200 scattered survivors were captured over the ensuing days. What had been intended as a Cold War masterstroke ended in embarrassment for the U.S. The Bay of Pigs disaster would set the stage for the Cuban Missile Crisis, eighteen months later, and shape U.S.-Cuba relations up until the present. Decades in the making, Besieged Beachhead draws from English and Spanish sources in the United States and Cuba to tell the story of this conflict as it has never been told before. Along the way, the work sheds light on events that have been shrouded in secrecy, myth, and propaganda for six decades.

Short Story Index: 1969-1973, 1974 Supplement, 1969-1973 Estelle A. Fidell, 1974-12 An index to 11,561 stories in 805 collections **The Austro-Prussian War** Geoffrey Wawro, 1996 This is a history of the Austro-Prussian/Italian War of 1866 which paved the way for German and Italian

unification It is based upon extensive new research in the state and military archives of Austria Germany and Italy Geoffrey Wawro describes Prussia s successful invasion of Habsburg Venetia and the wretched collapse of the Austrian army in July 1866 Although the book gives a thorough accounting of both the Prussian and Italian war efforts it is most notable for the light it sheds on the Austrians Through painstaking archival research Wawro reconstructs the Austrian campaign blow by blow hour by hour Blending military and social history he describes the terror and panic that overtook Austria s regiments of the line in each clash with the Prussians He reveals the unconscionable blundering of the Austrian commandant and his chief deputies who fumbled away key strategic advantages and ultimately lost a war crucial to the fortunes of the Habsburg Monarchy that most European pundits had predicted they would win

The Man Who Wrote the Perfect Novel Charles J. Shields, 2018-10-15 An engrossing biography of a brilliant novelist underappreciated in his own time who became a twenty first century bestseller from the New York Times bestselling author The New Yorker When Stoner was published in 1965 the novel sold only a couple of thousand copies before disappearing with hardly a trace Yet the quietly powerful tale of Midwestern college professor William Stoner whose life becomes a parable of solitude and anguish eventually found an admiring audience in America and especially in Europe The New York Times called Stoner a perfect novel and a host of writers and critics including Colum McCann Julian Barnes Bret Easton Ellis Ian McEwan Emma Straub Ruth Rendell C P Snow and Irving Howe praised its artistry The New Yorker deemed it a masterly portrait of a truly virtuous and dedicated man This biography traces the life of Stoner s author John Williams Charles J Shields follows the whole arc of Williams s life which in many ways paralleled that of his titular character from their shared working class backgrounds to their undistinguished careers in academia Shields vividly recounts Williams s development as an author whose other works include the novels Butcher s Crossing and Augustus for the latter Williams shared the 1972 National Book Award Shields also reveals the astonishing afterlife of Stoner which garnered new fans with each American reissue and then became a bestseller all over Europe after a Dutch publisher brought out a translation in 2013 Since then Stoner has been published in twenty one countries and sold over a million copies Like Williams Shields know how to tell a good story one that will appeal especially to those interested in the ins and outs of the publishing industry and the ups and downs of a writer s life Los Angeles Review of Books

Encyclopedia of the American Short Story Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present

Chicorel Index to Short Stories in Anthologies and Collections , 1974
