Salishan and Sahaptin tribes F. Boas, **When Mothers Pimp Their Daughters out to Catch a Rapist for a Husband** Sarah Mandy,2015-06-26 This a very true story about five children who their mother was very abusive especially two the oldest daughter and youngest son because they look like their fathers family The mother hire with full knowledge that the man she hire in a county hospital was coming out of Iowa State Penitentiary of state of Michigan for raping a fifteen year girl His parole officer had told the charge nurse who is getting a divorce make sure to tell this rapist she is chasing all over the hospital on night shift that she has three daughters who are ages six four and two years old along with two sons they are eight and five This rapist is on his three marriage as well as two years younger than the mother they start out talking as well as going to the attic a lot on their shift to have sex Then it is time to bring him home to meet these little children who she will gladly let him take control of their lives The three daughters still graduate from high school and college one ever service in the US Marine Corp The girls grew into wonderful mothers have made wonderful lives as for the two brothers they were murdered in the middle thirties **His Daughter's Treasures** Charles R. Hockema,2019-11-04 In more recent years

when I had written a poem I felt our children would enjoy reading them or maybe just to brag because I thought it was good I would send it via a text message to each of them Our daughter Jeni came to visit one day She brought a large 3 ring binder with 100 plastic sleeves to organize and collect my works Each sleeve is numbered with a corresponding title page She named the work *His Daughter s Treasures* She included her own artwork of the title inlaid over a large sailboat in the background with a large compass layered on top On the spine of the folder is the title inlaid over a treasure chest As soon as I realized I was really going to publish my work I knew I wanted the title to be *His Daughter s Treasures* *Kutenai Tales* Franz Boas,1918 **The Girl Who Speaks Bear** Sophie Anderson,2020-03-03 The newest heart expanding magical

adventure from Sophie Anderson author of the critically acclaimed *House with Chicken Legs* They call me Yanka the Bear Not because of where I was found Only a few people know about that They call me Yanka the Bear because I am so big and strong Discovered in a bear cave as a baby 12 year old Yanka dreams of knowing who she really is Although Yanka is happy at home with her loving foster mother she feels out of place in the village where the other children mock her for her unusual size and strength So when Yanka wakes up one morning to find her legs have become bear legs she knows she has no choice but to leave her village She has to find somewhere she truly belongs so she ventures into the Snow Forest with her pet weasel Mousetrap in search of the truth about her past But deep in the forest there are many dangers and Yanka discovers that even the most fantastic stories she grew up hearing are true And just as she draws close to discovering who she really is something terrifying happens that could trap her in the forest forever *Mauled by a Bear* Sue L. Hamilton, 2010-01-01 In *Mauled by a Bear* readers learn of actual human wildlife encounters creature information survival strategies and attack statistics True survivor stories and quotes show the reality of sharing our world with one of Earth's most cunning and powerful species *Abdo Daughters* is an imprint of Abdo Publishing a division of ABDO *The Bear and His Sons* James M. Taggart, 1997 All the world over people tell stories to express their deepest feelings about such things as what makes a real man or woman what true love courage or any other virtue is what the proper relationships are between people Often groups of people widely separated by space or time will tell the same basic story but with differences in the details that reveal much about a particular group's worldview This book looks at differences in the telling of several common Hispanic folktales James Taggart contrasts how two men a Spaniard and an Aztec speaking Mexican tell such tales as *The Bear's Son* He explores how their stories present different ways of being a man in their respective cultures Taggart's analysis contributes to a revision of Freud's theory of gender which was heavily grounded in biological determinism Taggart focuses instead on how fathers reproduce different forms of masculinity in their sons In particular he shows how fathers who care for their infant sons teach them a relational masculinity based on a connected view of human relationships Thus *The Bear and His Sons* will be important reading not only in anthropology and folklore but also in the growing field of men's studies
