Beard And Vktms:

Beard and Vktms Michael McClure, 1991-01-01 **The Beard ; &, Vktms** Michael McClure, 1985 **The Beard ; &, Vktms** Michael McClure, Norman Mailer, 1985 Two plays dramatize the conflict of American myths in a confrontation between Billy the Kid and Jean Harlow and retell the story of Orestes and Elektra *Ghost Tantras* Michael McClure, 2013-11-12 Lion roars detonated dada and visceral emotional truths McClure describes these tantras as ceremonies to change the nature of reality **Text and Drugs and Rock 'n' Roll** Simon Warner, 2013-03-14 Text and Drugs and Rock n Roll explores the interaction between two of the most powerful socio cultural movements in the post war years the literary forces of the Beat Generation and the musical energies of rock and its attendant culture Simon Warner examines the interweaving strands seeded by the poet novelists Jack Kerouac Allen Ginsberg William Burroughs and others in the 1940s and 1950s and cultivated by most of the major rock figures who emerged after 1960 Bob Dylan the Beatles Bowie the Clash and Kurt Cobain to name just a few This fascinating cultural history delves into a wide range of issues Was rock culture the natural heir to the activities of the Beats Were the hippies the Beats of the 1960s What attitude did the Beat writers have towards musical forms and particularly rock music How did literary works shape the consciousness of leading rock music makers and their followers Why did Beat literature retain its cultural potency with later rock musicians who rejected hippie values How did rock musicians use the material of Beat literature in their own work How did Beat figures become embroiled in the process of rock creativity These questions are addressed through a number of approaches the influence of drugs the relevance of politics the effect of religious and spiritual pursuits the rise of the counter culture the issue of sub cultures and their construction and so on The result is a highly readable history of the innumerable links between two of the most revolutionary artistic movements of the last 60 years **Banned Plays** Dawn B. Sova, 2004 An alphabetical listing of plays that have been banned throughout history with a short synopsis and reason for banning as well as profiles of the playwrights and other resource material **Theorising Performance** Edith Hall, Stephe Harrop, 2010-03-25 Constitutes the first analysis of the modern performance of ancient Greek drama from a theoretical perspective Of Indigo and Saffron Michael McClure, 2011-01-26 McClure has not departed from his center justified breath based lines in a career that has spanned more than half a century One of the readers at Allen Ginsberg s famed 1955 reading of Howl at San Francisco s Six Gallery McClure unlike Ginsberg remains closely associated with that city and with the varieties of 20th century Zen and other Eastern religious practice that have emerged from it Publishers Weekly **Theorising Performance** Bloomsbury Publishing, 2013-10-16 This exciting collection constitutes the first analysis of the modern performance of ancient Greek drama from a theoretical perspective The last three decades have seen a remarkable revival of the performance of ancient Greek drama some ancient plays Sophocles Oedipus Euripides and Medea have established a distinguished place in the international performance repertoire and attracted eminent directors including Peter Stein Ariane Mnouchkine Peter Sellars

and Katie Mitchell Staging texts first written two and a half thousand years ago for all male ritualised outdoor performance in masks in front of a pagan audience raises quite different intellectual questions from staging any other canonical drama including Shakespeare But the discussion of this development in modern performance has until now received scant theoretical analysis This book provides the solution in the form of a lively interdisciplinary dialogue inspired by a conference held at the Archive of Performances of Greek Roman Drama APGRD in Oxford between sixteen experts in Classics Drama Music Cultural History and the world of professional theatre The book will be of great interest to scholars and students of Classics and Drama alike The Facts on File Companion to American Drama Jackson R. Bryer, Mary C. Hartig, 2010 Features a comprehensive guide to American dramatic literature from its origins in the early days of the nation to the groundbreaking works of today s best writers
