Big Eyes Small Windows:

, The Small Window Linda Teigland Clark, 2008-06 Pa taught his family that God will not shut a door without opening a window He said it was God's Way of leading His Children And during hard times Pa added that it was the North wind that made the Vikings What he didn't tell Laurin his 17 year old daughter was how small and difficult getting through that window might be or how long and strong that North wind might blow It was 1848 Pa followed his dream he was taking his family to the Promised Land a land called California Laurin like her father dreamed big until tragedy struck When cholera claimed the lives of her parents and older brothers in the Humboldt Sink she had to find that window set her own sail against that staunch wind Only she remained to do it She had to find a way not just to survive the trek over the Sierra and into California but to survive once they arrived It wasn't for herself but for her younger brother age 7 and sister age 4 they were her responsibility their future their very lives depended upon her They couldn't go back there was no back She loved them she had to find a way God's Eye View Tommy Tenney, 2008-07-13 In God's Eye View Tommy Tenney explores how worship lifts us up to see the trouble we face from God's perspective instead of being trapped in an earthly time bound viewpoint The higher we go the smaller our problems seem Tenney also teaches the Principle of Magnification The closer you get to something the bigger it appears In other words worship not only shrinks our problems it also magnifies God in our lives and to others Worship doesn't really change our problems it just minimizes their influence over us as we focus on God He doesn't promise to remove all of our circumstances but God does assure us that in His presence and from His perspective we can see things as they really are and not how they appear to be In the book of Revelation John was instructed to behold the Lion but from an earthly perspective John saw only the Lamb The heavenly perspective reveals that the Lamb is the Lion the babe of Bethlehem is the ancient of days and the dragon is really a weakened lizard God's eye view is higher than man's Higher than a bird's eye view higher than a man's eye view is God's eye view *The Great Big One* J. C. Geiger, 2021-07-13 With natural disasters and nuclear war threatening their small town two twin brothers find themselves enraptured by mysterious music that could change the course of their lives Everyone in Clade City knows their days are numbered The Great Cascadia Earthquake will destroy their hometown and reshape the entire West Coast if they survive long enough to see it Nuclear war is increasingly likely Wildfires Or another pandemic To Griff the daily forecast feels partly cloudy with a chance of apocalyptic horsemen Griff's brother Leo and the Lost Coast Preppers claim to be ready They've got a radio station Luminous underwater monitors A sweet bunker and an unsettling plan for disaster ready rodents But Griff's more concerned about what he can do before the end times He'd like to play in a band for one Hopefully with Charity Simms Her singing could make the whole world stop When Griff Leo and Charity stumble upon a mysterious late night broadcast one song changes everything It's the best band they've ever heard on a radio signal even the Preppers can't trace They vow to find the music but aren't prepared for where their search will take them Or for what they'll risk when survival means finding the one thing
