Big Frog Little Pond:

Big Frog, Little Pond George Mendoza, 1971-01-01 A big frog in a little pond disturbs all his neighbors with his loud croaking until the little frogs in the big pond put a stop to it Before You Leap Kermit the Frog, 2006 Kermit the Frog shares the behind the scenes story of his climb from swamp to Hollywood and offers advice on attaining dreams finding love overcoming obstacles and other topics *Shady Cady* Roger Leon Burnley, 2001-03-16 Is it bad to have pretend secrets In a detective story it s all right For entertainment For make believe When are pretend secrets wrong Whenever someone wants to learn What if they want to learn to write a make believe story Do you ever consider your customers when you work on something I mean do you only follow your own instincts or do you imagine what might be tasteful or interesting to others I don t write detective fiction but I imagine there is the basic form genre which is largely unconscious and then there is the elaboration which is highly variable Is that variation wholly determined by an uncompromising attitude on the part of the author or does he look over his shoulder so to speak and imagine how the audience will react like an actor Do you come up against this kind of consideration in your work **The power within** Jamaal Cox, 2021-06-30 Once upon a time four simple and immensely powerful words From a really early age we were exposed to the magic of storytelling Since human beings first walked the earth we ve been sharing stories warning each other of mortal danger teaching right from wrong inspiring our tribe to action The latest science tells us that when we hear a story our bodies produce the hormone oxytocin and we instantly start to form a connection with the person that we are listening to Stories bind us together and help make sense of our experience Jamaal Kadeem Cox 1992 He grew up in Harlesden North West London His parents divorced when he was still in Primary school Jamaal and his father stayed close at first but as his father settled with his new family their time spent together began to deteriorate He was an active kid in school he took part in all the festive plays after school sports drama and choir club After secondary school Jamaal attended Harrow Weald College to study I T software but due to his older siblings imprisonment he dropped out of college to support his mother and his two younger sisters Jamaal had a best friend who lived on the same road as them since the age of seven years old and who passed away in 2009 Jamaal was left on his own again Lost with nowhere and no one to turn to Jamaal fell into a life of crime In 2011 he was sentenced to two years and two months in HMP Once he was released his father took him out of London and soon feeling lonely again he succumbs to mental health issues After hitting rock bottom Jamaal s father sat him down and they spoke for days weeks months talking about their past presence and future Thanks to the sharing of life stories between father and son Jamaal set out to start life again and live life on his own terms accepting life s heartaches as a lesson and appreciating the journey not focusing on the destination too much Jamaal realised that his father s story had set him on a path to help and inspire others to reach their goals no matter what state you are in Jamaal is here for you now as Jamaal s father was there for him at his lowest point
