Sabato, 2014-10-14 An original and illuminating narrative revealing John F Kennedy's lasting influence on America by the acclaimed political analyst Larry J Sabato The Cambridge Companion to John F. Kennedy Andrew Hoberk, 2015-04-27

The Cambridge Companion to John F Kennedy explores the creation and afterlife of an American icon The Bill Clinton Story John Hohenberg, 1994-05-01 This is the story of how Bill Clinton fashioned the incredible the unbelievable the 100 to 1 shot victory in the campaign of 1992 that made him the forty second President of the United States In the beginning it wasn't supposed to happen that way With the Soviet Union in collapse at the end of the Cold War the hero of the Persian Gulf War President George Bush was initially regarded by friend and foe alike as unbeatable Except for a brief charge by Pat Buchanan no one really challenged him in the Republican primaries for renomination While among the contenders for the Democratic nomination there were only five none nationally known Clinton was in the pack But one by one the strongest Democrats Paul Tsongas Jerry Brown and Bob Kerrey fell into obscurity In the end against all odds Bill Clinton and running mate Al Gore emerged to reunite the divided party The Clinton Gore ticket went on to lead a growing entourage of twenty and thirty something campaigners Noble ideals high energy and rock music made the Democratic party a powerhouse of youth and vitality The Clinton message spoke to a generation of voters who statistically had been labeled apolitical and along with more mature voters moved them to embrace the possibility for change The Economy Stupid codified the single greatest concern of voters throughout the country despite their parting views on other matters The overconfident President Bush lambasted his youthful rival on every issue from unfamiliarity with national government to assertions of weakness in leadership and flaws in character And yet even after Ross Perot split off a part of the Democratic vote as well as a section of Bush's support the man from Hope Arkansas beat them both on Election Day the third youngest after Theodore Roosevelt and John Kennedy to enter the White House Employing the skills he has shown in his earlier books a crisp narrative style and discerning editorial mind The New York Times Book Review John Hohenberg's Bill Clinton Story vividly captures not only one man's road to the White House but more importantly it illuminates the changing face of American politics on the eve of the twenty first century
