Bill Russells American Music:

Bill Russell's American Music Bill Russell,1993 A history and discography of the American Music label Mahalia Jackson and the Black Gospel Field Mark Burford,2019 Drawing on and piecing together a trove of previously unexamined sources this work is a critical study of the renowned African American gospel singer Mahalia Jackson 1911 1972 **Classic Jazz** Floyd Levin,2000-11-30 Profiles the studios record companies and of course the musicians who made music famous

Creating Jazz Counterpoint Vic Hobson,2014-03-19 The book Jazzmen 1939 claimed New Orleans as the birthplace of jazz and introduced the legend of Buddy Bolden as the First Man of Jazz Much of the information that the book relied on came from a highly controversial source Bunk Johnson He claimed to have played with Bolden and that together they had pioneered jazz Johnson made many recordings talking about and playing the music of the Bolden era These recordings have been treated with skepticism because of doubts about Johnson s credibility Using oral histories the Jazzmen interview notes and unpublished archive material this book confirms that Bunk Johnson did play with Bolden This confirmation in turn has profound implications for Johnson s recorded legacy in describing the music of the early years of New Orleans jazz New Orleans jazz was different from ragtime in a number of ways It was a music that was collectively improvised and it carried a new tonality the tonality of the blues How early jazz musicians improvised together and how the blues became a part of jazz has until now been a mystery Part of the reason New Orleans jazz developed as it did is that all the prominent jazz pioneers including Buddy Bolden Bunk Johnson Louis Armstrong Sidney Bechet Johnny Dodds and Kid Ory sang in barbershop or barroom quartets This book describes in both historical and musical terms how the practices of quartet singing were converted to the instruments of a jazz band and how this in turn produced collectively improvised blues inflected jazz that unique sound of New Orleans Eurojazzland Luca Cerchiari,Laurent Cugny,Franz Kerschbaumer,2012-07-10 The critical role of Europe in the music personalities and analysis of jazz Time of My Life Clive Wilson,2019-03-21 New Orleans is a kind of Mecca for jazz pilgrims as Whitney Balliett once wrote This memoir tells the story of one aspiring pilgrim Clive Wilson who fell in love with New Orleans jazz in his early teens while in boarding school in his native England It is also his story of gradually becoming disenchanted with his family and English environment and ultimately finding acceptance and a new home in New Orleans The timing of his arrival at age twenty two just a few weeks after the signing of the 1964 Civil Rights Act and the end of legal segregation placed him in a unique position with the mostly African American musicians in New Orleans They showed him around brought him into their lives gave him music lessons and even hired him to play trumpet in brass bands In short Wilson became more than a pilgrim he became an apprentice and for the first time legally in New Orleans he could make that leap Time of My Life A Jazz Journey from London to New Orleans tells the story of Wilson s journey as he discovers the contrast between his imagined New Orleans and its reality Throughout he delivers his impressions and interactions with such local musicians as Fat Man Williams Manuel Manetta Punch Miller and Billie and

DeDe Pierce As his playing improves invitations to play in local bands increase Eventually he joins in the jam and by doing so integrates the Original Tuxedo Jazz Band which had been in continuous existence since 1911 Except for a brief epilogue this memoir ends in 1979 when Wilson assembles his own band for the first time the Original Camellia Jazz Band with musicians who had been among his heroes when he first arrived in New Orleans

George Lewis Tom Bethell, 2023-11-10 George Lewis one of the great traditional jazz clarinetists was born in 1900 at about the same time that jazz itself first appeared in New Orleans And by the time he died on the last day of 1968 New Orleans jazz had pretty much run its course too By then a jazz museum stood on Bourbon Street and a cultural center was under construction where Globe Hall had stood Lewis's life thus paralleled that of New Orleans jazz and in his later years he was the best known standard bearer of his city's music He came to the attention of the jazz world at the time of the so called New Orleans Revival of the 1940's when veteran trumpeter Bunk Johnson was recorded by a number of jazz enthusiasts notably William Russell In this new biography Tom Bethell challenges a favorite myth of the history of jazz that the music became moribund in New Orleans after the legal red light district Storyville was closed in 1917 resulting in most jazz musicians going up the river In fact Bethell shows many more jazzmen stayed in the city than left and the musical style continued to develop and grow Thus the jazz fans who arrived in the city in the early 1940's did not encounter a revival of an old style so much as an ongoing tradition with clarinetists like Lewis having been influenced by Benny Goodman and the Swing Era in addition to Lorenzo Tio and the Creole School After Bunk Johnson's death in 1949 at a time when many other social changes were beginning to be felt in the city the New Orleans jazz tradition began to go into a decline It became increasingly rigid and repetitive and was often designed to please what one observer called Dixieland fans yelling for their favorite members The book is based on lengthy research in New Orleans including interviews with George Lewis shortly before his death and unpublished material from the diaries kept by William Russell on his visits to New Orleans between 1942 and 1949 It also includes a statement by Lewis on jazz and the best way to play it and a complete Lewis discography This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977

Louis Armstrong, New Orleans Jazz and Second Line Drumming Herlin Riley, Johnny Vidacovich, 1995 This book is based on performances and transcriptions from the DCI music videos Herlin Riley Ragtime beyond and Johnny Vidacovich Street beats modern applications Additional interviews and essays on Baby Dodds Vernel Fournier Ed Blackwell James Black and Freddie Kohlman Smokey Johnson David Lee and bassist Bill Huntington

Walking with Legends Mick Burns, 2007-10 Drummer record producer bandleader jazz researcher and cigar chomping raconteur Barry Martyn is a New Orleans original who happens to have been born in England Implausible though this may seem it makes perfect sense to members of the New Orleans traditional jazz community who

view themselves as an extended family based on merit as much as nativity For more than forty years Martyn has been a fixture in the Crescent City s jazz scene laying down the beat for generations of celebrated musicians and avidly promoting the city s unique musical heritage around the world In Walking with Legends based on over forty hours of interviews with Martyn by fellow British jazz enthusiast and author Mick Burns Martyn reflects upon his life in jazz and offers a window into a musical world that few have understood let alone witnessed from the inside At the age of nineteen jazz fanatic Martyn found his way to the Crescent City and began working as a professional drummer in clubs and studios The first white man in the United States to join a black musician s union he eventually started his own record label and recorded hundreds of jam sessions that today are regarded as classics in Europe In 1972 he formed the Legends of Jazz an old style New Orleans jazz band that toured the world and took New Orleans jazz into the American showbiz mainstream Martyn s life story provides unique intimate glimpses of a vanished generation of New Orleans musicians including Louis Armstrong Kid Sheik Cola Harold Dejan Joe Watkins Albert Nicholas Kid Thomas Andrew Blakeney and many others Throughout his chronicle Martyn highlights the continual clash of cultures that arose from an avid British pupil learning lessons of life and music from elderly African American strangers who take him under their wing both out of curiosity and self interest Together they find a way to connect through music even if the road gets a little bumpy at times A standard bearer for New Orleans s jazz drumming tradition Martyn remains one of the city s busiest musicians and most avid promoters of New Orleans music In Walking with Legends he honors the legacies of the African American musicians who taught and inspired him and affirms the importance of the human relationships that make the music possible
