Artifact Of Deception:

Artifact of Deception Jeffrey Raymond Hansson,2004-06 With high hopes of proving his theory about the disappearance of a lost civilization archaeologist Edwin aEddiea Moncrief leads a group of college students into the beautiful but remote canyon lands of northeastern Utahas Yellowknife Canyon The camp is joined by medicine man Joseph Two Horse who is acting as a consultant for the nearby Wataska Indian Tribe After initial harmony things quickly deteriorate as the field camp is beset with internal conflicts and dissension What began as a wonderful experience in a breathtaking setting turns into the field school from hell While Eddie and a loyal group of students try to hold the camp together local looters are destroying one of the archaeological sites Amidst acts of sabotage tensions build as artifacts disappear and another site is destroyed Things come to a head between Eddie and Two Horse in a midnight showdown after two of Eddieas students go missing *Artifacts*

in Behavioral Research Robert Rosenthal,Ralph L. Rosnow,2009-08-03 This new combination volume of three books in one dealing with the topic of artifacts in behavioral research was designed as both introduction and reminder It was designed as an introduction to the topic for graduate students advanced undergraduates and younger researchers It was designed as a reminder to more experienced researchers in and out of academia that the problems of artifacts in behavioral research that they may have learned about as beginning researchers have not gone away For example problems of experimenter effects have not been solved Experimenters still differ in the ways in which they see interpret and manipulate their data Experimenters still obtain different responses from research participants human or infrahuman as a function of experimenters states and traits of biosocial psychosocial and situational origins Experimenters expectations still serve too often as self fulfilling prophecies a problem that biomedical researchers have acknowledged and guarded against better than have behavioral researchers e g many biomedical studies would be considered of unpublishable quality had their experimenters not been blind to experimental condition Problems of participant or subject effects have also not been solved We usually still draw our research samples from a population of volunteers that differ along many dimensions from those not finding their way into our research Research participants are still often suspicious of experimenters intent try to figure out what experimenters are after and are concerned about what the experimenter thinks of them *Shadows of Deceit*

Kanwaljit Bhullar,2024-04-14 *Shadows of Deceit* follows archaeologist Dr Amelia Crawford as she unearths a mysterious artifact in Havenridge But her discovery plunges her into a web of conspiracy and danger forcing her to confront powerful forces determined to keep its secrets hidden With rich characters intricate plot twists and a pulse pounding narrative this historical mystery will keep readers enthralled until the very end With its richly drawn characters intricate plot twists and evocative setting *Shadows of Deceit* is a must read for fans of historical fiction mystery and suspense Prepare to be enthralled by a tale of deception danger and the enduring power of truth in the face of darkness **The Truth About Lies:**
