As If Love Were Enough

Manuel A Donoso

As If Love Were Enough:

Poems By The Way & Love Is Enough William Morris, 2023-08-12 William Morris's *Poems By The Way Love Is Enough* is a collection of his poetry that showcases his unique blend of romanticism and social commentary. Through his lyrical and descriptive style, Morris delves into themes of love, nature, and the struggles of the working class, all intertwined with his vision of a utopian society. His use of traditional forms and meter combined with a modern sensibility sets these poems apart in the Victorian literary landscape. *Poems By The Way Love Is Enough* serves as a bridge between the Romantic and Pre-Raphaelite movements, capturing the essence of both while paving the way for the Arts and Crafts movement that Morris would later become known for. This collection is a must-read for those interested in poetry, Victorian literature, and social critique. William Morris's background as a social activist and designer serves as the foundation for the deeply political undertones that run throughout the poems, making them both beautiful and thought-provoking. **Love is Enough** William Morris, 2023-07-14 *On Love & Psychological Exercises* A. R. Orage, 1998-01-15 An invaluable resource for students of self-development, especially those with a particular interest in the ideas of George Gurdjieff and Pyotr Ouspensky. While editing a publication, he co-founded *The New Age*. A. R. Orage formed a study group of practicing psychologists, including Dr. Maurice Nicoll, one of Jung's foremost exponents to study psychoanalysis. They reached the conclusion that the need in psychology was not psychoanalysis but psycho-synthesis. Upon his introduction to P. D. Ouspensky and the ideas of Gurdjieff, Orage informed his group that psycho-synthesis had arrived. Orage wrote *On Love* after spending years working with Gurdjieff and the Fourth Way System. The three essays *On Love*, *On Religion*, and *What Is the Soul* explore personal self-development. These essays are still practical, timely, and important to students who seek a clear understanding of the self. *Psychological Exercises* is the result of work with both Gurdjieff and Ouspensky and was written during the seven years Orage spent organizing Fourth Way study groups for Gurdjieff in the United States. It presents 200 plus psychological exercises designed to increase the flexibility and scope of our minds by working with numbers, words, verses, and images. These exercises pick up where conventional education leaves off, teaching us to hone the conscious and deliberate manipulation of our mental resources. Included are 15 essays covering various aspects of self-development, such as how not to be bored, economizing personal energy, acquiring intuition, controlling our tempers, and learning to observe and think. **A Risk Taker's Journey** Manuel A. Donoso, 2014-12 At the age of five, Manuel Donoso rode a wooden horse and pretended he was a cowboy. Two years later, he saddled a real horse and became a real cowboy. As a teenager, he found himself conscripted into the Chilean Army. While there, he experienced many abuses of power. The witnessing of the crushing of an aspiring young soldier's military dreams was the final straw. This drove him to persuade the country's president, Eduardo Frei Montalva, to arrange for his discharge. Not satisfied with being a dreamer in Chile's Central Valley, he travelled from the Southern to the Northern Hemisphere. Journeying through the Amazon, he marveled at the exotic creatures, was intrigued at the mysterious colours of the Amazon.

River yet was horrified by the brutality of man he experienced along the way While penniless in Central America yet wanting to get to the United States he became a dreamer again He and a group of young friends put together a crazy form of transportation that worked just not the way they expected Eventually he made it to Canada the easy way by plane In his new home he met the girl of his dreams She was so nice he actually married her twice Then he wrote his entire improbable story in a book and called it A Risk Taker s Journey What a life What a story You ve got to read it **The Collected Works of**
