Thomas Merton's Encounter with Buddhism and Beyond Jaechan Anselmo Park,2019-03-07 Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton s role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton s self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton s understanding of Buddhism Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton s contemplative spirituality and shows how Merton s legacy has influenced and continues to inspire interreligious and inter monastic dialogue particularly in an Asian monastic context
