Asian And African Studies Volume 20:

Asian and African Studies meisai.org.il, *Imagining the United States of Africa* E. Ike Udogu, 2015-02-10 This book frames the debates around the pressing desire for some form of unification that found expression in the pan Africanist movement and formation of the Organization of African Unity in Addis Ababa Ethiopia in 1963 following the advent of home rule for many former colonies of the Western powers Discussions in this volume address the following fundamental issues nationalism and political integration and how the contradictions between both philosophies can be resolved the amelioration of corruption in order to attract internal and external investments critical for developing the vast natural resources housed in the continent the need for Africa's adaptation to the ideology and practice of capitalism and liberal globalization to suit the character of African states in a projected federal United States of Africa solutions to ethnic conflicts that are bound to happen over clashes of competing group interests the indispensability and promotion of information communication technologies and urgent need to strengthen a network of regional electric power grids that would provide constant energy to the Union and lead to improvement in communication and economic growth and recommendation of social democracy as the genre of democracy suitable for a proposed United States of Africa

Routledge Handbook of Africa-Asia Relations Pedro Amakasu Raposo, David Arase, Scarlett Cornelissen, 2017-10-30 The Routledge Handbook of Africa Asia Relations is the first handbook aimed at studying the interactions between countries across Africa and Asia in a multi disciplinary and comprehensive way Providing a balanced discussion of historical and on going processes which have both shaped and changed intercontinental relations over time contributors take a thematic approach to examine the ways in which we can conceptualise these two very different yet inextricably linked areas of the world Using comparative examples throughout the chronological sections cover Early colonialist contacts between Africa and Asia Modern Asia Africa interactions through diplomacy political networks and societal connections Africa Asia contemporary relations including increasing economic security and environmental cooperation This handbook grapples with major intellectual questions defines current research and projects future agendas of investigation in the field As such it will be of great interest to students of African and Asian Politics as well as researchers and policymakers interested in Asian and African Studies

State and Peasant in the Ottoman Empire Huri Islamoglu - Inan, 2024-04-02 State and Peasant in the Ottoman Empire studies the dynamics of Ottoman peasant economy in the sixteenth century First it shows that contrary to the conventional wisdom about the stationariness of the Asian agrarian economies Ottoman peasant economy witnessed substantial growth in response to population increase urban commercial expansion and to increased taxation demands Second the book argues that economic development did not take place independently of political structures of the state This meant that in the light of the fiscal and legitimation concerns of the Ottoman state and contrary to the assumptions of the models of economic development changes in population and in commercial demand did not result in the disruption of the integrity of the small peasant holding as the

primary unit of production The book develops these arguments in the context of a detailed empirical study of the economic trends of the state rules or institutions that embodied the relations of revenue extraction and of exchange in Ottoman Anatolia The Experience of Economic Redistribution Clarence Tshitereke, 2006-10-09 This book provides an analysis of the country's political economy in transition It documents the history of the gold mining industry's involvement in shaping the political landscape of South Africa and shows the degree to which the political transition was induced to put in place a new mode of regulation for capital accumulation In the process the victims of apartheid have now become victims of democracy's neo liberalism as the government is constrained from being developmental interventionist and redistributive

Mining Africa Warikandwa, Tapiwa V., 2017-05-01 This book is a pacesetter in matters of mining and the environment in Africa from multidisciplinary and spatio temporal perspectives The book approaches mining from the perspectives of law politics archaeology anthropology African studies geography human ecology sociology history economics and development It interrogates mining and environment from the perspectives of customary law as well as from the perspectives of Euro modern laws In this sense the book straddles precolonial colonial and postcolonial mining and environmental perspectives In all this it maintains a Pan Africanist perspective that also speaks to contemporary debates on African Renaissance and to the unity of Africa From scrutinising the lived realities of African miners who are often insensitively and unjustly addressed as illegal miners the book also interrogates transnational mining corporations matters of corporate social responsibility as well as matters of tax evasions by transnational corporations whose commitment to accountability to African governments is questioned With both theoretical chapters and chapter based on empirical studies on mining and the environment across the African continent the book provides a much needed holistic one stop shop for scholars activists researchers and policy makers who need a comprehensive treatise on African mining and the environment The book comes at the right time when matters of African mining and environment are increasingly coming to the fore in the light of discourses about the new 21st century scramble for African resources in which big transnational corporations and nations are jostling to suck Africa dry in their race to control planetary resources It is a book that speaks to contemporary broader issues of de coloniality and transformation of African minds and African environmental resources **Generation, Gender and Negotiating Custom**

in South Africa Elena Moore, 2022-06-16 This book investigates how customary practices in South Africa have led to negotiation and contestation over human rights gender and generational power Drawing on a range of original empirical studies this book provides important new insights into the realities of regulating personal relationships in complex social fields in which customary practices are negotiated This book not only adds to a fuller understanding of how customary practices are experienced in contemporary South Africa but it also contributes to a large discussion about the experiences impact and ongoing negotiations around changing structures of gender and generational power and rights in contemporary South Africa It will be of interest to researchers across the fields of sociology family customary law gender social policy and

African Studies *Crises of Governance in Asia and Africa* Sandra J. MacLean, Fahimul Quadir, 2017-07-12 This title was first published in 2001 Investigating the relations between ethnicity and governance in Asia and Africa and going well beyond traditional and orthodox treatments this volume is not only a stimulating text but also an invaluable tool for original and innovative research

Byzantium to China: Religion, History and Culture on the Silk Roads , 2022-07-18 This collection of papers reflects the interests and influence of Samuel N C Lieu on scholars and students during his academic career It demonstrates not only the importance of his work on Manichaeism but his broader intellectual contribution to early Christian Roman Byzantine and comparative historical studies His impact on Manichaean studies has been unparalleled resulting in several prestigious book series devoted to the linguistic and historical study of Mani and his religion It is largely thanks to his enterprise that scholars now have access to an extensive library of texts and images unavailable to earlier researchers The volume honours the life and work of a remarkable scholar of international renown

Fragile Resistance John Foran, 2019-04-09 This book analyzes the processes of social transformation in Iran from the height of the country's power in the sixteenth and seventeenth centuries under the Safavid dynasty to the aftermath of the startling revolution that overthrew the Pahlavi monarchy in 1979
