

Arthur G Dove

**Alan Pensler, Arthur Garfield
Dove, Suzanne Mullett Smith**

Arthur G Dove:

Arthur Dove Rachael Z. DeLue, 2016-03-16 Arthur Dove often credited as America's first abstract painter created dynamic and evocative images inspired by his surroundings from the farmland of upstate New York to the North Shore of Long Island. But his interests were not limited to nature. Challenging earlier accounts that view him as simply a landscape painter, Arthur Dove Always Connect reveals for the first time the artist's intense engagement with language, the nature of social interaction, and scientific and technological advances. Rachael Z. DeLue rejects the traditional assumption that Dove can only be understood in terms of his nature paintings and association with photographer and gallerist Alfred Stieglitz and his circle. Instead, she uncovers deep and complex connections between Dove's work and his world, including avant-garde literature, popular music, meteorology, mathematics, aviation, and World War II. Arthur Dove also offers the first sustained account of Dove's Dadaesque multimedia projects and the first explorations of his animal imagery and the role of humor in his art. Beautifully illustrated with works from all periods of Dove's career, this book presents a new vision of one of America's most innovative and captivating artists and reimagines how the story of modern art in the United States might be told. *Arthur Dove* Alan Pensler, Arthur Garfield Dove, Suzanne Mullett Smith, 2018-04-24 Arthur Dove: A Reassessment offers a fresh look at the art, life, and literature of seminal American modernist painter Arthur Dove, 1880-1946. It also introduces Dove's long forgotten biographer Suzanne Mullett Smith, who worked with Alfred Stieglitz and the artist from 1943 to 1944, assembling a chronicle of Dove's art and life as well as a catalogue raisonné. By examining previously unpublished material, this volume explores the differences between Dove's public and private personas, especially the development of his art while living in Westport, Connecticut, from 1910 to 1920; his successful career as a chicken farmer; his complex relationship with his family; and the impact of his Christian background on some of his best-known works. This lavishly designed volume offers a fresh reexamination of Dove that is sure to become essential reading for scholars and fans alike. **Arthur G.
