Ashura This Blood Spilled In My Veins:

'*Âshûrâ*' Jalal Toufic, 2005-01-01 Cultural Writing Middle Eastern Studies Religious Studies ASHURA is largely made up of photographs or video stills of Ashura the ceremony of self flagellation and bloodletting performed by some Twelver Shi'ites to mark their wait for the coming of a twelfth imam Blood literally soaks these men the floor the street their sneakers and Toufic's lens does not blink Meanwhile his thoughts on the cultural and philosophic implications of the ritual strangely cool and confident against a background of such ecstatic religious fervor reframes everything from film to Islam to Toufic himself Toufic writes Al Husayn the grandson of the prophet Muhammad and the son of the first Shi'ite imam Ali was slaughtered alongside many members of his family in the desert in 680 This memory is torture to me But basically one can say this memory is torture to me of every memory since each reminiscence envelops at some level the memory of the origin of memory

Hanan al-Cinema Laura U. Marks, 2015-09-25 An examination of experimental cinema and media art from the Arabic speaking world that explores filmmakers' creative and philosophical inventiveness in trying times In this book Laura Marks examines one of the world's most impressive and affecting bodies of independent and experimental cinema from the last twenty-five years film and video works from the Arabic speaking world Some of these works' creative strategies are shared by filmmakers around the world others arise from the particular economic social political and historical circumstances of Arab countries whose urgency Marks argues seems to demand experiment and invention Grounded in a study of infrastructures for independent and experimental media art in the Arab world and a broad knowledge of hundreds of films and videos Hanan al-Cinema approaches these works thematically Topics include the nomadism of the highway nostalgia for 70s radicalism a romance with the archive algorithmic and glitch media haptic and networked space and cinema of the body Marks develops an aesthetic of enfolding and unfolding to elucidate the different ways that cinema can make events perceptible seek connections among them and unfold in the bodies and thoughts of audiences The phrase Hanan al-cinema expresses the way movies sympathize with the world and the way audiences feel affection for and are affected by them Marks's clear and expressive writing conveys these affections in works by such internationally recognized artists and filmmakers as Akram Zaatari Elia Suleiman Hassan Khan Mounir Fatmi and Joana Hadjithomas and Khalil Joreige and others who should be better known

Routledge Handbook on Arab Cinema Noha Mellor, 2024-06-28 Building on a growing body of literature this Handbook provides an up-to-date and authoritative survey of Arab cinema The collection includes contributions from academics and filmmakers from across the Arab region Europe and North America and fills a gap in media studies by examining the entire Arab region rather than focusing on one country or theme The Handbook also sheds light on the heterogeneity of Arab filmmaking not only within the Arab region but also globally within diasporic communities It is split into six parts Part 1 provides an overview of each sub-region in the Arab world including a chapter on Arab animation films Parts 2, 3 and 4 address topical themes encompassing the representation of gender religion and identity politics in Arab

cinema Part 5 discusses the theme of diaspora and Part 6 concludes the volume with reflective essays penned by selected diasporic filmmakers This book is an essential reference for Arab media and cinema scholars students and professional filmmakers With case studies from across the Arab region it s also a valuable resource for anyone interested in film and media global cinema and the Middle East generally *Gog and Magog* Georges Tamer,Andrew Mein,Lutz Greisiger,2023-12-31 The tale of a collective evil force known as Gog and Magog has occupied the imagination of Jews Christians and Muslims for millennia finding expression in literary and scholarly works and other cultural artifacts This book gathers the papers from two conferences at the University of Erlangen Nuremberg by scholars ranging from history to religious studies to art history and is the most thorough work on the subject to date *Religions of the World* J. Gordon Melton,Martin Baumann,2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world s smaller religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia s six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world s smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world s most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions *Religious Celebrations* Bloomsbury Publishing,2011-09-13 This two volume work presents a comprehensive survey of all the ways people celebrate religious life around the globe Religious Celebrations is an alphabetically organized encyclopedia that covers more than 800 celebratory occasions from all of the world s major religious communities as well as many of the minor faith traditions The encyclopedia provides a complete reference tool for examining the myriad ways people worldwide celebrate their religious lives across religious boundaries providing information on numerous celebratory activities never before covered in a reference work Offering the most comprehensive coverage of religious holidays ever assembled this two volume book covers festivals commemorations holidays and annual religious gatherings all over the world with special attention paid to the celebrations in larger countries Entries written by distinguished researchers and specialists on different religious communities capture the unique intensity of each event be it fasting or feasting frenzied activity or the universal cessation of work a huge gathering of the faithful en masse or a small family centered event The work spotlights celebrations that currently exist without overlooking now abandoned celebrations

that still impact the modern world **Emotions in Rituals and Performances** Axel Michaels, Christoph Wulf, 2020-11-29

Challenging the idea that rituals are static and emotions irrational the volume explores the manifold qualities of emotions in ritual practices Focusing explicitly on the relationship between emotions and rituals it poses two central questions First how and to what extent do emotions shape rituals Second in what way are emotions ritualized in and beyond rituals Strong emotions are generally considered to be more spontaneous and uncontrolled whereas ritual behaviour is regarded as planned formalized and stereotyped and hence less emotional However as the volume demonstrates rituals often reveal strong emotions among participants are motivated by feelings or are intended to generate them The essays discuss the motivation for rituals the healing function of emotions the creation of new emotions through new media the aspect of mimesis in the generation of feelings individual collective and non human emotions the importance of trance and possession staged emotions and emotions on stage emotions in the context of martyrdom emotions in Indian and Western dance traditions emotions of love sorrow fear aggression and devotion Furthermore aesthetic and sensory dimensions as well as emic concepts of emotions in rituals are underscored as relevant in understanding social practice Performance and Place L. Hill, H. Paris, 2006-04-18 Written by both practitioners and scholars this significant and timely collection explores the sites of contemporary performance and the notion of place The volume examines how we experience performance s varied sites as part of the fabric of the art work itself whether they are institutional or transient real or online Miraculous Beginnings Walid Raad, Whitechapel Art Gallery, 2010 Published to accompany the exhibition Miraculous beginnings held at the Whitechapel Art Gallery October 16th 2010 January 6th 2011 *Vampires* Jalal Toufic, 2003 Cultural Writing Film history and criticism Jalal Toufic is an amazing writer He documents the moves of consciousness in a way that leads the reader ever deeper from impasse to illusion to new impasse turning the trap of what can t be named into a true paradise Richard Foreman Relentlessly uncompromising Toufic s radical and visionary poetics gird the reader to forge ahead into uncharted territory Village Voice Jalal Toufic is one of the best writers in America today and his first 2 books DISTRACTED and VAMPIRES are some of the best writing of the past 20 years John Zorn Film Works IV Jalal Toufic is a teacher film theorist video artist and author of several books His films have been shown worldwide
