Your Baby and Child Penelope Leach, 2013-10-30

Penelope Leach's *Your Baby Child* is the most loved, trusted and comprehensive book in its field with almost two million copies sold in America alone. Newsweek says that it is not only one of the best parenting books but also by far the most pleasurable to read. This 1997 version, completely rewritten for a new generation, encompasses the latest research and thinking on child development and learning and reflects the realities of today's changing lifestyles and new approaches to parenting. Penelope Leach's authoritative and practical style will reassure, encourage, inform and inspire every parent to be and new parent. *Your Baby Child* is the baby book that responds fully to every parent's deepest concerns about the psychological and emotional as well as physical well-being of his or her children. Dr Leach describes in easy-to-follow stages from birth through starting school what is happening to your child, what he or she is doing, experiencing and feeling. She tackles the questions parents often ask and the ones they dare not. Whether your concern is a new baby's wakefulness, a toddler's tantrums, a preschool child's shyness, aggression or nightmares or how to time your return to work, choose day care or tell a child about a new baby or an impending divorce, the information you need to make your own decisions is right here.

Baby Bites Bridget Swinney, MS, RD, 2011-01-18 This book helps parents with everything they need to know about feeding babies during the first three years, including breastfeeding, bottle feeding, puréed baby food, teething foods and solids, making it the most comprehensive baby nutrition book on the market. It helps parents understand their baby's nutritional needs and enables them to prepare tasty food so their baby can develop healthy eating habits. It's part nutrition book, part cookbook and a complete godsend for parents. *Baby Bites* is an iParenting Excellent Parenting Product Award winner. Understanding Children's Behaviour Penny Tassoni, 2018-09-20 A thorough exploration of children's behaviour from a child-centred point of view, showing how children learn to be with others and strategies practitioners can use to support this development. Many Early Years settings are taking

in children for longer periods and at a younger age. However, their day to day practice has not necessarily changed and instead leads to the management of behaviour rather than investigating why the behaviour is taking place. Through a combination of practice theory and reflection, leading Early Years education consultant Penny Tassoni explores children's behaviour from a child-centred point of view. In doing so, she shows how over time children learn to be with others and the strategies that adults can use to positively support this development. *Understanding Children's Behaviour* is a practical handbook that is accessible and adaptable for Early Years practitioners looking to support children's behaviour by focusing on their personal and social skills. It includes a useful A-Z problem-solving section about dealing with unwanted behaviours for analysis and to guide practice.
