Baby Boomerang Catching Baby Boomers As They Return To Church:

The Baby Boomerang Doug Murren,1990 **Above All Earthly Pow'rs** David F. Wells,2006-08 In this prophetic call to the evangelical church Wells stresses that Christians need to confess Christ as the center in a society lacking a center as the sovereign in a world seemingly ruled by chance and as the one who can give meaning in a nihilistic culture *Effective Generational Ministry* Craig L. Blomberg, Elisabeth A. Nesbit Sbanotto,2016-01-12 Understanding generational differences is a key to effective ministry in a multigenerational church This book offers students and practitioners cutting edge research and biblical analysis of three generations Boomers GenXers and Millennials so churches can minister more effectively within and across generational lines The authors one an expert on generational differences and the other a respected New Testament scholar represent different generations and areas of expertise The book explores key characteristics of each generation provides biblical theological analysis of generational attributes and offers specific suggestions for ministry

Selling Out the Church Philip D. Kenneson, Jim Street,2003-07-24 Marketing the church is hot For many church leaders marketing might even be the first article of their creed which goes something like this We believe that our church determines its identity and mission through the tactics of marketing strategies Theologians Kenneson and Street offer a thoughtful and provocative protest with a foreword from Stanley Hauerwas The authors expose the theological presuppositions that inform the marketing project and help us to see that the marketer's presumption that form can be separated from content of the gospel betrays an understanding of the gospel that cannot help betraying the gift that is Christ The authors propose an alternative constructive account of the church's mission and purpose that is not based on exchange of value but on reminding us that the gospel is always a gift a gift that makes impossible any presumptions that there can be an exchange between human beings and God that is rooted in the satisfaction of our untrained needs The cross and resurrection challenge the world's understanding of what our needs should be [A History of Contemporary Praise & Worship](#) Lester Ruth, Lim Swee Hong,2021-12-07 Christianity Today 2023 Book Award Finalist History Biography New forms of worship have transformed the face of the American church over the past fifty years Drawing on a wide range of primary sources including interviews with dozens of important stakeholders and key players this volume by two worship experts offers the first comprehensive history of Contemporary Praise Worship The authors provide insight into where this phenomenon began and how it reshaped the Protestant church They also emphasize the span of denominational regional and ethnic expressions of contemporary worship *First Comes Faith* W. Frank Harrington,1998-01-01 Drawing from his experience as longtime pastor of Preachtree Presbyterian Church in Atlanta W Frank Harrington says that if the church is to flourish in this time it must return to its primary purpose the proclamation of the gospel for the salvation of humankind To be successful proclamation must be rooted in faith and faith has to be lived out in the real world of need and evil [What They Didn't Teach You in Seminary](#) James Emery White,2011-08-01 In churches today there are ever fewer older pastors speaking into the lives of

younger leaders and fewer younger leaders feeling there is much to be learned from the experience of their elders Street smart wisdom is gone from training as there are many men and women preparing pastors who have never themselves pastored a church Intriguingly even older more seasoned pastors yearn for insight into their task as they remain undisciplined in the school of leadership In *What They Didn't Teach You in Seminary* veteran pastor James Emery White provides the kind of mentoring young pastors desperately need but cannot get from academia or leadership books These from the trenches insights will help them transform their relationships with staff and parishoners develop healthy boundaries deliver hard truths avoid spiritual pitfalls use their time effectively and much more

Rethinking the Church James Emery White, 2003-07-01 Why is it important to rethink the church Today many leaders focus on how their ministries can be run more efficiently But the foundational question according to James Emery White should be Why do we have this ministry and then Why do we do this ministry the way we do Is it effective Rethinking the Church helps pastors and lay leaders work through questions that must be answered if a church is to rethink evangelism discipleship ministry worship community and the structure of the church Break old molds check assumptions and be sensitive says White He uses the language and aims of seeker targeted churches but urges readers not to tie themselves to any model without understanding the individual purpose of their church Now thoroughly revised and expanded Rethinking the Church contains more emphasis and key material on how to move from rethinking to transition White blends biblical reflection and hands on experience and uses the early church as described in the Book of Acts as the ultimate example

Selling Jesus Douglas D. Webster, 2009-08-01 It's one thing to market cars and deodorant and hamburgers It's another thing says Doug Webster to market Jesus and the gospel Standing up to a spate of books and seminars that urge churches to model their mission on Madison Avenue methods Webster sounds an urgently needed wake up alarm Selling Jesus is a hard hitting book that shows how Jesus is more than a product to be hawked how seekers are more than a matter of meeting felt needs But Selling Jesus doesn't merely challenge It moves beyond penetrating criticism to the next step suggesting faithful and powerful alternatives to marketing the church Selling Jesus is a necessary book for those who are beginning to wonder if evangelism and missions really aren't synonymous with product promotion
