Baby No Eyes:

Baby No-eyes Patricia Grace, 2002-07-07 This major novel merges contemporary headlines with stories of a heartfelt family history Do you hear the people calling No See there dummy you re nowhere near dead Well I don t believe you How would you know Of course I know I do I do I know all about it Tawera and his sister are inseparable in a relationship that is impossible for others to share In fact his whole whanau is bonded by secrets a genealogy stitched together by shame joy love and sometimes grief This is an account of the mysteries that operate at many levels between generations where the present is the pivot the centre of the spiral looking outward to the past and future that define it There s a way the older people have of telling a story a way where the beginning is not the beginning the end is not the end **The Testimonial Uncanny** Julia
