Secret Baby Bears Ultimate Box Set (BBW Bear Shifter Romance Novella Series) Becca Fanning, 2017-12-17 These Bear Shifters might not have a lot of money but they're rich in what counts. The Secret Baby Bears Ultimate Box Set is here. Contains the following stories:

Alec Talia normally enjoyed her mornings teaching her class. The little boys and girls looked up at her, their big eyes rapt with attention as she taught them their daily lessons. But today was different. She felt it in her bones but she had no idea her life was about to change forever. Alec knew he shouldn't do this. He should've called but this wasn't something you could talk about over the phone. Hi, I'm actually the father of your small child who might be a Bear Shifter like me. Sometimes you just had to be bold even if that meant crossing the line into dangerous territory.

Rock Gemma had been to her fair share of parties but this one was a bit different. It wasn't that long ago that she was a wild party girl hitting up frats and luring studs into her web of drama and seduction. But those days were behind her. Today's party was for her young son Arthur. As a rambunctious two-year-old, she hoped that he would have fun and remember it. Her back yard started filling with guests including a tall, broad-shouldered man whose eyes she found entrancing. Rock wasn't sure how this was supposed to go. He was a complete stranger showing up at this lady's house and needing to have a very intimate conversation with her. He thought about turning around getting back into his car and driving away. But then he heard a little laugh coming from the back yard. He knew instantly that it was his cub and nothing was going to stop him from being the best father he could be.

Jackson Olivia Hendricks put on her best face as she looked in the mirror. Her best friend's wedding was finally here and she was happy to stand for her friend. But there was no denying that her body had seen better days. Her toddler tugged at his adorable little tux like a wild animal as they scooted out the door. Could today just be over? Jackson saw her from across the dance floor and she took his breath away. He watched her sway back and forth to the music, her son on her hip. Every nerve in his body screamed that that was his cub. He couldn't believe that the little one was actually real, actually there in front of him. Taking a deep breath, he made his way to the two most important people in his life.

Clay Chloe was exhausted. Moving from New York City to Ithaca, NY, had been a real strain on this city girl. Her darling son Noah had been a handful as usual but lately he'd been behaving strangely around the other kids his age. A nice trip to the zoo would let him get out some of that energy and hopefully let Chloe relax a little bit. But whatever the day had in store for her relaxation would play no part in it. Clay knew this was the wrong way to do it. Trying to naturally meet someone you've been tracking down is never going to work but what choice did he have? She was raising his cub and that meant the normal playbook was going right out the window. As soon as he laid eyes on her, he had a feeling that the wrong way was going to suit him just fine.

Rust Rust was a man in pieces. He never had much going for him, truth be told. His broad shoulders and the golden shine in his Bear Shifter eyes meant he had few enemies but that didn't matter now. Haunted and

tormented by a terrible event he decided he d had enough drowning in pity and sorrow He would meet his fate no matter the consequences And if he could make someone s life a little better in the process so be it USA Today Bestselling Author Becca Fanning brings you a Shifter Romance novella box set packed full of action intrigue and steam Fated Mates have never been so right and wrong for each other Keywords bear shifter bad boy bbw fated mates paranormal romance with sex pnr curvy gothic romance new adult romance clan pack series fantasy steamy romance paranormal romance books for adults reformed rake contemporary romance hot romance hot shifter romance shifter romance series instalove shifter conflicts new adult urban fantasy alpha male werebear shapeshifter wounded hero romantic suspense womens fiction action adventure military love outlaw rebel thrilling great chemistry enemies to friends Mate's Harvest (BBW Baby Bear Shifter Suspense Sheriff Romance) Becca Fanning, A baby on the way and a serial killer on the loose Marcus and Angie need each other more than ever but the universe seems set on tearing them apart It s only through their sheer love for each other that Marcus and Angie are able to see through all the times of darkness and despair They are each other s last hope last reason to keep living and not give up Though Marcus can t offer Angie much now that he isn t Sheriff of Charming he can offer his support and love if not his protection as they work together to find the killer Marcus might have to break the law to find out whose targeting them but he is willing to do anything at this point to make sure no one ever comes after them again The universe be damned love is stronger than any other force USA Today Bestselling Author Becca Fanning is proud to bring you this Fated Mates story packed with all the action steam and great chemistry you can handle KEYWORDS free shifter romance books free pnr free romance ebook free shifter romance series wolf shifter bad boy bbw fated mates paranormal romance with sex curvy gothic romance new adult clan pack series fantasy steamy romance paranormal romance books for adults reformed rake contemporary romance hot romance hot shifter romance shifter romance series instalove ott over the top shifter conflicts new adult urban fantasy alpha male werewolf shapeshifter wounded hero romantic suspense womens fiction action adventure military love outlaw rebel thrilling great chemistry enemies to friends secret baby pregnancy romance supernatural legend folk tale second chances freebie free ebook free novel free novella alpha male female protagonist stories story college hero complete series box box set boxed set bundle anthology sexy sensual seduction contemporary current new 2019 best of breeding mating Just Like Daddy Frank Asch,2015-04-14 Little Bear wants to be like his dad but his mom has a fun skill to share too in this reissue of a classic picture book from celebrated and award winning author and illustrator Frank Asch Little Bear loves to do everything his daddy does When Daddy yawns dresses eats fishes and uses bait so does Bear just like his father But when the whole family goes fishing Bear catches a big fish just like Mommy This refreshed edition of a beloved classic features the original text and art with an updated cover **Felt Animal Families** Lapierre,2020 *The Three Little Pigs Out West* ,
