Babys Havin Babys:

HOW?! and WHY?! are children having babies? Teresa Janz,2023-05-02 As we focus on the bright side of life we often forget that everything has two sides One side is generally less desirable than the other This book is a challenge to briefly exam the darker side of what can be the lives of women and especially children Can you relate to any of these situations I bet you can What did you do about it then and now Have your beliefs or responses changed any since then

The Gendered Society Michael S. Kimmel,2017 The sixth edition of *The Gendered Society* explores current thinking about gender both inside academia and in our everyday lives Michael Kimmel challenges the claim that gender is limited to women s experiences his compelling and balanced study of gender includes both masculine and feminine perspectives Kimmel makes three bold and persuasive statements about gender First he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do Kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women Finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon

Kids Having Kids Rebecca A. Maynard,2018-08-09 Published in 1997 Adolescent mothers are more likely to encounter a variety of economic and social ills than women who delay childbearing until they are adults This work is a comprehensive examination of the extent to which these undesirable outcomes are attributable to teen pregnancy itself rather than to the wider environment in which most of the pregnancies and the subsequent child rearing take place It also examines the consequences of adolescent pregnancy for the fathers of children and even more importantly for the children themselves

Start Your Family Candice Watters,Steve Watters,2009-01-01 Starting a family is a soul shaping world altering experience Unfortunately in a culture of competing values and protracted timelines couples are increasingly backing their way into parenting or missing it altogether By the time the average couple tries to have kids they are often beyond their late twenties and surprised to learn they are sliding past the peak of their fertile years In *Start Your Family* Steve and Candice Watters encourage couples to be intentional about their timeline in the early years of marriage and to trust God to help them boldly launch their families Responding to the most common doubts and hurdles they offer biblical inspiration for the questions Why have kids When is the best time to start How can we fit kids into our lives ***Biblical Strategies for a Community in Crisis*** Colleen Birchett,1995-04 Through inspirational messages and warnings 11 leading Christian thinkers share with readers the major challenges facing the African American community and its church Readers are given biblical strategies for facing these challenges 12 lessons Leader s Guide also available **Babies for Sale?** Miranda Davies,2017-03-15 Transnational surrogacy the creation of babies across borders has become big business Globalization reproductive technologies new family formations and rising infertility are combining to produce a quiet revolution in social

and medical ethics and the nature of parenthood Whereas much of the current scholarship has focused on the US and India this groundbreaking anthology offers a far wider perspective Featuring contributions from over thirty activists and scholars from a range of countries and disciplines this collection offers the first genuinely international study of transnational surrogacy Its innovative bottom up approach rooted in feminist perspectives gives due prominence to the voices of those most affected by the global surrogacy chain namely the surrogate mothers donors prospective parents and the children themselves Through case studies ranging from Israel to Mexico the book outlines the forces that are driving the growth of transnational surrogacy as well as its implications for feminism human rights motherhood and masculinity **Having**
