Snyder,2023-05-16 This book started out to be just a culmination of the original 30 Christmas Letters and the stories surrounding them but in the end turned into much more encompassing story of our family and unfortunately my somewhat questionable life decisions and ongoing issues Nothing to worry about here as I am and always have been a law abiding people loving hardworking person but sometimes my way of doing things has left many wondering just what the heck I was thinking As for the book I think it is something that you will enjoy reading as it probably more attune to your own life s stories than you ll probably want to admit Even when I die my picture will be somewhere in the back pages but with my luck it will probably be the one taken that night at the Lewiston Boy s Club and the headline won t be Loving Father and Husband Passes It will read Keith Embarrasses Mother So the next day I show up to

grade school with one front tooth missing and my wrist all taped up and the teacher probably wondering what kind of torture I was being put through But in actuality she probably had taught all three of my older brothers and just figured I was just learning to be one of them You just gotta love my family Another thing I have learned is that Sharon and I don t shop the same I shop like this Look like buy use Sharon shops like this Look look like look look look like look like look look look really like buy return Well I finally went home and the first night back Sharon fell off her crutches dislocated one finger and broke another Boy you d think that with those crutches she d been able to hop right over that deer lying on the floor Maybe there is something to me making things worse
