Kimberly Nichele Brown

Back To Patriarchy:

Back to Patriarchy Daniel Amneus, 1979 *Writing the Black Revolutionary Diva* Kimberly Nichele Brown, 2010-09-09
Kimberly Nichele Brown examines how African American women since the 1970s have found ways to move beyond the double consciousness of the colonized text to develop a healthy subjectivity that attempts to disassociate black subjectivity from its connection to white culture Brown traces the emergence of this new consciousness from its roots in the Black Aesthetic Movement through important milestones such as the anthology *The Black Woman* and *Essence* magazine to the writings of Angela Davis Toni Cade Bambara and Jayne Cortez Dyke Ideas Joyce Trebilcot, 1994-01-01 *Dyke Ideas* is a passionate and insightful contribution to lesbian philosophy The main value is wimmin women separate from men and men s inventions Craziness guilt competition sex and other topics are explored in ways that reject male values and move toward wimmin identified cultures Method is central The authoritarian God s eye stance typical of academic writing is disavowed in favor of an approach that denies that others should accept the author s beliefs Persuasion is tyranny Joyce Trebilcot thinks so she tries not to interfere with a reader s processes of creating discovering her own ideas This book suggests that lesbian philosophy is like a potluck wimmin bring their own contributions and also help themselves to the offerings of others *Dyke Ideas* is written in a candid clear jargon free style that makes it accessible to a wide range of readers The writings which include essays poetry a dialogue and forms without names resonate with the feelings and thoughts of many wimmin I Moved All My Women Upstairs Roberta Buchanan, 1998 The Newfoundland Poetry Series was begun in 1993 as Breakwater s twentieth anniversary project to honour and preserve the literary talents of our Newfoundland and Labrador poets Selection is based on quality Breakwater s aim is to make the series affordable to as many lovers of poetry as possible UNFOLD DIARY OF DOWNDRODDEN Dr.Md . Naushad Alam, 2021-08-05 This book is written on Downtrodden Patriarchy's Remains Erin K. Hogan, 2024-04-23 Something is rotten in the state of Spain The uninterred corpse of a patriarchal figure populates the visual landscapes of Iberian cinemas He is chilled drugged perfumed ventilated presumed dead speared in the cranium and worse Analyzing a series of Iberian cinematic dark comedies from the 1950s to the present day Patriarchy s Remains argues that the cinematic trope of the patriarchal death symbolizes the lingering remains of the Francisco Franco dictatorship in Spain 1939 75 These films created as satirical responses to persisting economic social and political issues demonstrate that Spain s transition to democracy following the Francoist period is an incomplete and ongoing process Within the theme of patriarchal decay the significance of the figure differs across cinematic representations from his indispensability to his obstructionism and exploitation Erin Hogan traces the prevalence of patriarchal death by analyzing its relationship with the surrounding characters who must depend on the deceased Hogan demonstrates how the patriarch s persistence in film both reveals and challenges an array of discriminations and inequalities in the cinematic grotesque tradition in Iberian cinemas more broadly and in Iberian society as a whole Despite Spain s ongoing transition towards

democratic pluralism Patriarchy's Remains serves as a reminder that the remnants of an entrenched although not interred patriarchal culture continue to haunt Iberian society *Patriarchy's Creative Resilience* Michael Kramp, 2024-02-26

Patriarchy's Creative Resilience explores the disturbing sustainability of White male supremacy Kramp traces an imaginative failure and an imaginative success his focus on British speculative fiction published between 1870 and 1900 demonstrates how even this elastic and wildly inventive literary form remains incapable of promoting non patriarchal masculinity and he attributes this inability to the creative resiliency of white male supremacy He demonstrates the inventive use of diverse resources that we frequently view as custom or uncomplicated history and a versatility that we often dismiss as sheer power He draws on an archive of late nineteenth century speculative fiction to detail a versatile patriarchal toolbox including hegemonic masculinity control of dangerous women hyperbolic and sentimental performances of male sovereignty and reversions to authoritarian at times violent conduct He also considers how the classic military strategy of dividing to conquer undergirds all these tactics inhibiting our creating energies and dynamic collaborations Various chapters demonstrate the enterprise ingenuity and adaptability of patriarchy to refashion and rejustify normalized systems of oppression While scholars have consistently identified moments and agents of resistance to patriarchal structures by highlighting creativity resiliency and resourcefulness Kramp's project reveals how patriarchy itself is creative resilient and resourceful *You Play the Girl*

Carina Chocano, 2017-08-08 National Book Critics Circle Award Winner With dazzling clarity Chocano's commentary exposes the subliminal sexism on our pages and screens O The Oprah Magazine As a kid in the 1970s and 80s Carina Chocano was confused by the mixed messages all around her that told her who she could be and who she couldn't She grappled with sexed up sidekicks princesses waiting to be saved and morally infallible angels who seemed to have no opinions of their own It wasn't until she spent five years as a movie critic and was laid off just after her daughter was born however that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies In *You Play the Girl* Chocano blends formative personal stories with insightful and emotionally powerful analysis Moving from Bugs Bunny to Playboy Bunnies from Flashdance to Frozen from the progressive 70s through the backlash 80s the glib 90s and the pornified aughts and at stops in between she explains how growing up in the shadow of the girl taught her to think about herself and the world and what it means to raise a daughter in the face of these contorted reflections In the tradition of Roxane Gay Rebecca Solnit and Susan Sontag Chocano brilliantly shows that our identities are more fluid than we think and certainly more complex than anything we see on any kind of screen If Hollywood's treatment of women leaves you wanting you'll find good heady company in *You Play the Girl* Elle **Gender Transformations** Sylvia Walby, 2003-09-02 The answer of course is both In this lucid and subtle investigation Sylvia Walby one of the world's leading authorities on gender shows how undoubted increases in opportunity for women in Europe and America have been accompanied by new forms of inequality She charts changes in women's employment education and political representation

and the complex relations between gender class and ethnicity between local conditions and global pressures which together determine the place of women both in the labour market and in the wider social political and economic world of today An eagerly awaited successor to Walby s classic *Theorising Patriarchy Transforming Gender* will be essential reading for anyone with an interest in how questions of gender remake and are remade by the social and economic conditions in which they occur
