

A man with short brown hair, wearing a dark blue suit jacket over a light blue button-down shirt and brown trousers, is sitting on the front of a vintage, dark-colored car. He is smiling and has his hands clasped in his lap. The car has large, round headlights and a prominent front grille. The background is a grassy area.

The Reporter Chinedu Nnadi, 2025-07-02 Lena Carter had always known she was different Ever since she was a child she could feel things before they happened a cold shiver down her spine when danger was near flashes of images in her mind that later became real At first she thought it was just intuition but by the time she became an investigative journalist she realized it was something far stronger Her big break came on a rainy Tuesday night Lena was at her favorite diner sipping black coffee when a sharp pain shot through her temple A vision flashed a dark alley a glint of metal a body slumped against a dumpster She didn't know where it was but her gut told her to move She jumped in her car and drove letting instinct guide her Twenty minutes later she pulled up behind an abandoned warehouse Police tape hadn't even been strung yet The victim a city councilman was still warm Lena snapped photos noted the odd placement of a playing card the Ace of Spades near his hand and called it in By the time detectives arrived she had already pieced together a theory this was a hit not a random crime Her article The Ace Killer's First Hand went viral She was the first to connect the playing card to a rumored underground gambling ring The police followed her lead and within weeks they made an arrest From then on Lena was unstoppable She'd get a tingle a headache a sudden chill and within hours she'd be at a crime scene before the cops A missing person case She'd dream of a location and find the victim A corporate scandal She'd sense deception in a CEO's press conference and dig until she uncovered fraud Her reputation grew Newspapers fought for her exclusives True crime podcasts begged for interviews She wrote bestselling books launched a documentary series and even consulted for the FBI The media dubbed her The Prophet Reporter Of course not everyone believed her Skeptics called her a fraud a profiteer of tragedy Cops sometimes resented her for showing up before they did But the results spoke for themselves cases solved justice served and a trail of shattered conspiracies in her wake By 35 Lena was a millionaire living in a penthouse with a view of the city she'd helped clean up But the visions never stopped And neither did she Because somewhere out there another crime was waiting to be uncovered And Lena Carter would be the first to know
