The Folkstories of Children Brian Sutton-Smith,2012-10-08 What prompts children to tell stories What does the word story mean to a child at two or five years of age *The Folkstories of Children* first published in 1981 features nearly five hundred stories that were volunteered by fifty children between the ages of two and ten and transcribed word for word The stories are organized chronologically by the age of the teller revealing the progression of verbal competence and the gradual emergence of staging and plot organization Many stories told by two year olds for example have only beginnings with no middle or end the narrative is held together by rhyme or alliteration After the age of three or four the same children tell stories that feature a central character and a narrative arc The stories also exhibit each child s growing awareness and management of his or her environment and life concerns Some children see their stories as dialogues between teller and audience others as monologues expressing concerns about fate and the forces of good and evil Brian Sutton Smith discusses the possible origins of the stories themselves folktales parent and teacher reading media required writing of stories in school dreams and play The notes to each chapter draw on this context as well as folktale analysis and child development theory to consider why and how the stories take their particular forms *The Folkstories of Children* provides valuable evidence and insight into the ways children actively and inventively engage language as they grow [Werner's Readings and Recitations: Easter celebrations \(c1916\)](#) ,1916 *Atlanta Noir* Tayari Jones,2025-07-01 This much anticipated and long overdue installment in Akashic s Noir Series reveals many sides of Atlanta only known to its residents Atlanta has its share maybe more than its share of prosperity But wealth is no safeguard against peril Creepy as well as dark grim in outlook Hints of the supernatural may make these tales appealing to lovers of ghost stories Kirkus Reviews Akashic Books continues its award winning series of original noir anthologies launched in 2004 with Brooklyn Noir Each book comprises all new stories each one set in a distinct neighborhood or location within the respective city This much anticipated and long overdue installment in Akashic s Noir Series reveals many sides of Atlanta known only to its residents Brand new stories by Tananarive Due Kenji Jasper Tayari Jones Dallas Hudgens Jim Grimsley Brandon Massey Jennifer Harlow Sheri Joseph Alesia Parker Gillian Royes Anthony Grooms John Holman Daniel Black and David James Poissant From the introduction by Tayari Jones Atlanta itself is a crime scene After all Georgia was founded as a de facto penal colony and in 1864 Sherman burned the city to the ground We might argue about whether the arson was the crime or the response to the crime but this is indisputable Atlanta is a city sewn from the ashes and everything that grows here is at once fertilized and corrupted by the past These stories do not necessarily conform to the traditional expectations of noir However they all share the quality of exposing the rot underneath

the scent of magnolia and pine Noir in my opinion is more a question of tone than content The moral universe of the story is as significant as the physical space Noir is a realm where the good guys seldom win perhaps they hardly exist at all Few bad deeds go unrewarded and good intentions are not the road to hell but are hell itself Welcome to Atlanta Noir Come sit on the veranda or the terrace of a high rise condo Pour yourself a glass of sweet tea and fortify it with a slug of bourbon Put your feet up Enjoy these stories and watch your back **Camptown Ladies** Mari SanGiovanni,2011-12-13 The Santora family ride again in the side splitting sequel to Greetings From Jamaica Wish You Were Queer *Easter Celebrations* Stanley Schell,1916
