Responsive Actions include:

- Keeping out the competition with reasonable prices.
- Employing sales people who customers like to see.
- Listening to customers to determine the true value of your product or service.
- Monitoring automatic answering systems so customers will never have to call the competition.
- Cross-selling so the customer can one-stop shop.
- Developing realistic expectations for quality and service so customers will never feel slighted.

"Selling is everyone's business. From the CEO to the shipping clerk, each employee must be sensitive to individual customer needs, requirements and idiosyncrasies."
