Bad Bad Day:

The New York School Poets and the Neo-Avant-Garde Mark Silverberg, 2016-02-17 New York City was the site of a remarkable cultural and artistic renaissance during the 1950s and 60s In the first monograph to treat all five major poets of the New York School John Ashbery Barbara Guest Kenneth Koch Frank O Hara and James Schuyler Mark Silverberg examines this rich period of cross fertilization between the arts Silverberg uses the term neo avant garde to describe New York School Poetry Pop Art Conceptual Art Happenings and other movements intended to revive and revise the achievements of the historical avant garde while remaining keenly aware of the new problems facing avant gardists in the age of late capitalism Silverberg highlights the family resemblances among the New York School poets identifying the aesthetic concerns and ideological assumptions they shared with one another and with artists from the visual and performing arts A unique feature of the book is Silverberg s annotated catalogue of collaborative works by the five poets and other artists To comprehend the coherence of the New York School Silverberg demonstrates one must understand their shared commitment to a reconceptualized idea of the avant garde specific to the United States in the 1950s and 60s when the adversary culture of the Beats was being appropriated and repackaged as popular culture Silverberg s detailed analysis of the strategies the New York School poets used to confront the problem of appropriation tells us much about the politics of taste and gender during the period and suggests new ways of understanding succeeding generations of artists and poets Speaking Bipolar's 30 Days of Positivity Scott Ninneman, 2024-08-03 Are you ready to have a positive mindset It s hard to stay upbeat in today s world especially if you have a mental illness like bipolar disorder Difficult but not impossible Speaking Bipolar s 30 Days of Positivity was first created as an email course to help readers get through the emotional chaos of the last months of the year Through motivating stories Scott Ninneman creator of Speaking Bipolar and living with bipolar 1 disorder gave the participants a positive theme to focus on each day and how to live successfully with bipolar After the first readers completed the course they all said the same thing This needs to be a book So here it is the original course newly edited and formatted and including all the additional reading content Each day has an uplifting message and a journal prompt to think deeper about the day s topic The end of every lesson also includes a creative writing prompt which you can use as a second journal prompt The chapter after each lesson is additional reading material linked to in the original course People who took the 30 Day s course all rated it a 9 10 They said This course is a real blessing in my life Very helpful and heart warming course It made me feel not so alone I looked forward to it every morning Find out what they loved so much by reading your copy today
