Bad Imaginings:

Bad Imaginings Caroline Adderson, 1993 Caroline Adderson's imaginings are about as far from bad as imaginings can get. The stories in her debut collection are powerfully conceived, subtly constructed and amazingly diverse in tone. Adopting the perspectives of a wildly eclectic group of characters, her prose is always fresh. Adderson is as comfortable in the boots of a 19th-century gold miner as she is in the crocheted slippers of a sad and embittered grandmother. And despite some very poignant moments, she is never sentimental. A finalist for the Governor General's Award, *Bad Imaginings* is the work of a young writer with confidence and style.

Collective Imaginings Moira Gatens, Genevieve Lloyd, 2002-01-22 Why would the work of the 17th-century philosopher Benedict de Spinoza concern us today? How can Spinoza shed any light on contemporary thought? In this intriguing book, Moira Gatens and Genevieve Lloyd show us that in spite of or rather because of Spinoza's apparent strangeness, his philosophy can be a rich resource for cultural self-understanding in the present. *Collective Imaginings* draws on recent reassessments of the philosophy of Spinoza to develop new ways of conceptualising issues of freedom and difference. This ground-breaking study will be invaluable reading to anyone wishing to gain a fresh perspective on Spinoza's thought.

The Porcupine's Quill Reader Tim Inkster, John Metcalf, 1996 The Porcupine's Quill Reader celebrates and promotes the work of a small publishing house in the village of Erin, Ontario. The fact that authors published here have had four Governor General Award nominations in four years suggests that editor John Metcalf and publisher Tim Inkster must be doing something right. The Reader contains 20 short stories and assorted gossipy anecdotes and photographs of the authors giving readings and socializing. And yes, this creates a feeling of being the voyeur at the family picnic, and yes, you might wonder why you would want to be a voyeur there of all places. Inkster has long been known for quality book design and treats readers to brief arcane chats about typeface selection and paper size. Interesting if you like knowing why some books look and feel so much better than others. Easy to skip if you don't.

Off the Record John Metcalf, 2023-12-05 Editor John Metcalf has inspired, challenged and championed countless writers over his long career. In *Off the Record*, he encourages six to reveal what one rarely discusses in polite society: how they became writers instead of radio announcers or cabinet makers. The essays collected here, each accompanied by a short story, offer fascinating insight into the relationships between writers, their editors, and their fiction. *Off the Record* brings together work by six noted Canadian writers, among them the winners of the Rogers Writers Trust Fiction Prize, the Butler Book Prize, and the Marian Engel Award: Caroline Adderson, Kristyn Dunnion, Cynthia Flood, Shaena Lambert, Elise Levine, and Kathy Page. Their essays are candid, moving, and surprisingly relatable, providing plenty of inspiration for those among us who want to write.

Bad Call Mike Scardino, 2018-07-17 An adrenaline-fueled read that will stay with you long after you turn the final page, *Bad Call* is a compulsively readable, totally unforgettable memoir about working on a New York City ambulance in the 1960s. James Patterson: *Bad Call* is Mike Scardino's visceral fast

moving and mordantly funny account of the summers he spent working as an ambulance attendant on the mean streets of late 1960s New York Fueled by adrenaline and Sabrett's hot dogs young Mike spends his days speeding from one chaotic emergency to another His adventures take him into the middle of incipient race riots to the scene of a plane crash at JFK airport and into private lives all over Queens where New Yorkers are suffering and dying in unimaginable ways Learning on the job Mike encounters all manner of freakish accidents the man who drank Drano the woman attacked by rats the man who inflated like a balloon meets countless unforgettable New York characters falls in love is nearly murdered and gets an early and indelible education in the impermanence of life and the cruelty of chance Action packed poignant and rich with details that bring Mike's world to technicolor life *Bad Call* is a gritty portrait of a bygone era as well as a bracing reminder that though life itself is a fatal condition it's worth pausing to notice the moments of beauty hope and everyday heroism along the way

HAVE NO WORRIES BALDEV BHATIA, 2017-09-18 ABOUT THE BOOK *HAVE NO WORRIES* BE HAPPY ENJOY LIFE This is very specially book specially written for those who tend to worry a lot for unnecessary things and reasons just to get the feeling of happiness within themselves It may be known that The feeling of happiness or sadness is within us Yes Worries can surely destroy you The only way out is to be careful bold and be strong It is said that worry is purely our own matter Though it has got something to do with our external circumstances But there are certainly some positive factors within us that keep us happy and there is something negative within us also which keep us unhappy Happy living through positive and good thoughts is nothing more than that of living a normal life free from undue pressures problems and tensions If we want to live a good and happy life then we need to get rid of the negativity within us which makes us unhappy Negative approach always complicates the problems and increases unhappiness Most of us do the
