Abortion Battle Looking At Both Sides:

The Abortion Battle Felicia Lowenstein Niven,1996 Examines the changing legal medical and moral issues surrounding abortion before and since Roe v Wade considers both anti abortion and pro choice points of view **Teens Take It to Court (EasyRead Comfort Edition) , Teens Take It to Court (Volume 2 of 2) (EasyRead Super Large 24pt Edition) , Teens Take It to Court (EasyRead Super Large 18pt Edition) , The Boundaries of Her Body** Debran Rowland Esq,2007-03-01 Whatever your political beliefs if you are a woman you must know what the law says about you The Boundaries of Her Body is the definitive history of the cycle of advances and setbacks that characterizes women s rights in America Author Debran Rowland covers emotionally charged issues with thoughtful detail offering insight into the strategies used by politicians and lobbyists to defeat long standing law The defeat for women s rights is an emotional and often polarized debate A debate over what a woman is What a woman ought to be And what a woman should therefore be allowed to do Today the future of women s rights is in jeopardy If I had to guess at the future for women I would say we stand to lose many more significant battles and the rights that go with them if we don t begin to abandon the niceties of a comfortable life with educated opinions and start waging the kind of aggressive no holds barred guerrilla war that our opponents have been riding to victory from the Epilogue to The Boundaries of Her Body Rowland combines provocative arguments with exhaustive research and affirms that in spite of advancements the boundaries of women s bodies will continue to be a source of bitter contention in the law Debran Rowland brilliantly argues the continuing inequality of women s rights in America with the most meticulous and comprehensive research in our times Betty Friedan author of The Feminine Mystique **Abortion--Analyzing the Arguments Old and NEW** Dr. Bob O'Connor,2019-03-15 The right to abortion is a major concern in most countries Should it ever be allowed Should it be allowed only in the first trimester When does life start Should I seek an abortion Does society need more unwanted babies Does the Bible specifically condemn abortion What does each child wanted or unwanted cost society These are questions that women and men must ask Legislators should inquire deeply as should judges These and many more questions are discussed and answers often implied **The Pro-choice Movement** Suzanne Staggenborg,1994 In this highly praised analysis of the controversial pro choice movement Suzanne Staggenborg traces the development of the movement from its origins through the 1980s She shows how a small group of activists were able to build on the momentum created by other social movements of the 1960s to win their cause the legalization of abortion in 1973 and argues that professional leadership and formal organizational structures together with threats from the anti abortion movement and grass roots support enabled the pro choice movement to remain an active force even after their primary goal had been achieved **Congressional Record** United States. Congress,2002 **Reproduction and Society: Interdisciplinary Readings** Carole Joffe,Jennifer Reich,2014-09-04 A collection of essays framed with original introductions Reproduction and Society Interdisciplinary Readings helps students to think critically

about reproduction as a social phenomenon Divided into six rich and varied sections this book offers students and instructors a broad overview of the social meanings of reproduction and offers opportunities to explore significant questions of how resources are allocated individuals are regulated and how very much is at stake as people and communities aim to determine their own family size and reproductive experiences This is an ideal core text for courses on reproduction sexuality gender the family and public health

Politics as Usual Thomas W. Pogge, 2013-04-24 Worldwide human lives are rapidly improving Education health care technology and political participation are becoming ever more universal empowering human beings everywhere to enjoy security economic sufficiency equal citizenship and a life in dignity To be sure there are some specially difficult areas disfavoured by climate geography local diseases unenlightened cultures or political tyranny Here progress is slow and there may be set backs But the affluent states and many international organizations are working steadily to extend the blessings of modernity through trade and generous development assistance and it won't be long until the last pockets of severe oppression and poverty are gone Heavily promoted by Western governments and media this comforting view of the world is widely shared at least among the affluent Pogge's new book presents an alternative view Poverty and oppression persist on a massive scale political and economic inequalities are rising dramatically both intra nationally and globally The affluent states and the international organizations they control knowingly contribute greatly to these evils selfishly promoting rules and policies harmful to the poor while hypocritically pretending to set and promote ambitious development goals Pogge's case studies include the 1 day poverty measurement exercise the cosmetic statistics behind the first Millennium Development Goal the War on Terror and the proposed relaxation of the constraints on humanitarian intervention A powerful moral analysis that shows what Western states would do if they really cared about the values they profess
