Abbys Un Valentine:

Abby's Un-Valentine (The Baby-Sitters Club #127) Ann M. Martin, 2015-11-24 Valentine's Day is Abby's least favorite holiday. Mushy stuff like valentines, red hearts, and a school dance turn her into a Valentine's Scrooge. When Ross Brown, a perfectly nice guy in Abby's English class, invites her to the dance, Abby tries to set him up with her twin sister Anna. **Ann M. Martin** Marylou Morano Kjelle, 2006 When Ann M. Martin was asked to write the first four Baby-Sitters Club books in 1985, she had no way of knowing she was about to change the face of children's publishing. Martin's writing is influenced by a combination of her pretty wonderful childhood, her experience as a teacher, and her work in children's publishing. Now 20 years after the first Baby-Sitters Club book was written, with more than 300 books and a Newbery Honor book to her credit, Martin continues to write novels that not only find a place on best-sellers lists but also in the hearts of readers. It is clear that she is one of the most widely read and beloved children's authors of all time. In a one-volume reference, Ann M. Martin details the life and real-life influences of this famous author, revealing the person behind the words and the author behind the literature. *Children's Books in Print, 2007*, 2006 **The Baby-Sitters Club: Abby's Un-Valentine #127** Ann M. Martin, 1998 *Popular Series Fiction for K-6 Readers* Rebecca L. Thomas, Catherine Barr, 2004 Because of their popularity, books in series are great vehicles for fostering literacy among all types of readers who are almost always adamant about reading every title in the series in series order. Yet traditional information sources on children's and YA literature include very little about series fiction, so librarians often have difficulty managing this literature. This guide will be a rich resource and time saver for librarians who work with children. It introduces users to the best and most popular fiction series of today, covering more than 1,000 series with over 10,000 titles appropriate for elementary readers. Annotations also indicate series and titles accepted by some of the popular electronic reading programs, e.g., Accelerated Reading, Reading First. A numbered list of titles in the series follows. *Popular Series Fiction for Middle School and Teen Readers* Rebecca L. Thomas, Catherine Barr, 2005 A guide to more than eight hundred fiction series, including graphic novels and manga. **Children's Books in Print** R. R.
