African Archaeology A Critical Introduction:

African Archaeology Ann Brower Stahl, 2004-09-24 A landmark introduction to the archaeology of Africa that challenges misconceptions claims about Africa s past and teaches students how to evaluate these claims Provides an unprecedented and exciting introduction to the archaeology of Africa Challenges misconceptions claims about Africa s past and teaches students how to evaluate these claims Includes a thoughtful introduction that explores the contexts that have shaped archaeological knowledge of Africa s past Lays out research questions that have shaped the contours of African archaeology Comprised of chapters specifically written for this volume by prominent archaeologists with regional and topical expertise **African Archaeology**, 2019 The Oxford Handbook of African Archaeology Peter Mitchell, Paul Lane, 2013-07-04 This Handbook provides a comprehensive synthesis of African archaeology covering the entirety of the continent s past from the beginnings of human evolution to the archaeological legacy of European colonialism It includes a mixture of key methodological and theoretical issues and debates and situates the subject s contemporary practice **African Archaeology Without Frontiers** Chapurukha M Kusimba, Santores Tchandeu, Dirk Seidensticker, Adrienne Daggett, Marilee Wood, Laure Dussubieux, Tim Forssman, Kate Smuts, Nick Wiltshire, Akin Ogundiran, Matthew Davies, Caleb Adebayo Folorunso, Timothy Kipkeu Kipruto, Freda M Mbogori, Henrietta L Moore, Emubosa Orijemie, Alex Schoeman, Festo W Gabriel, Elinaza Mjema, Philip de Barros, Gabriella Lucidi, Narcisse, 2016-12-01 Confronting national linguistic and disciplinary boundaries contributors to *African Archaeology Without Frontiers* argue against artificial limits and divisions created through the study of ages that in reality overlap and cannot and should not be understood in isolation Papers are drawn from the proceedings of the landmark 14th PanAfrican Archaeological Association Congress held in Johannesburg in 2014 nearly seven decades after the conference planned for 1951 was re located to Algiers for ideological reasons following the National Party s rise to power in South Africa Contributions by keynote speakers Chapurukha Kusimba and Akin Ogundiran encourage African archaeologists to practise an archaeology that collaborates across many related fields of study to enrich our understanding of the past The nine papers cover a broad geographical sweep by incorporating material on ongoing projects throughout the continent including South Africa Botswana Cameroon Togo Tanzania Kenya and Nigeria Thematically the papers included in the volume address issues of identity and interaction and the need to balance cultural heritage management and sustainable development derived from a continent racked by social inequalities and crippling poverty Edited by three leading archaeologists the collection covers many aspects of African archaeology and a range of periods from the earliest hominins to the historical period It will appeal to specialists and interested amateurs The Oxford Handbook of the Archaeology of Death and Burial Sarah Tarlow, Liv Nilsson Stutz, 2013-06-06 This Handbook reviews the state of mortuary archaeology and its practice with forty four chapters focusing on the history of the discipline and its current scientific techniques and methods Written by leading scholars in the field it derives its examples and case studies from a wide range of time periods and

geographical areas *The African Diaspora and the Disciplines* Tejumola Olaniyan, James Hoke Sweet, 2010 Focusing on the problems and conflicts of doing African diaspora research from various disciplinary perspectives these essays situate describe and reflect on the current practice of diaspora scholarship Tejumola Olaniyan James H Sweet and the international group of contributors assembled here seek to enlarge understanding of how the diaspora is conceived and explore possibilities for the future of its study With the aim of initiating interdisciplinary dialogue on the practice of African diaspora studies they emphasize learning from new perspectives that take advantage of intersections between disciplines Ultimately they advocate a fuller sense of what it means to study the African diaspora in a truly global way **The Oxford Handbook of African Languages** Rainer Vossen, Gerrit J. Dimmendaal, 2020-03-19 This book provides a comprehensive overview of current research in African languages drawing on insights from anthropological linguistics typology historical and comparative linguistics and sociolinguistics Africa is believed to host at least one third of the world's languages usually classified into four phyla Niger Congo Afro Asiatic Nilo Saharan and Khoisan which are then subdivided into further families and subgroupings This volume explores all aspects of research in the field beginning with chapters that cover the major domains of grammar and comparative approaches Later parts provide overviews of the phyla and subfamilies alongside grammatical sketches of eighteen representative African languages of diverse genetic affiliation The volume additionally explores multiple other topics relating to African languages and linguistics with a particular focus on extralinguistic issues language cognition and culture including colour terminology and conversation analysis language and society including language contact and endangerment language and history and language and orature This wide ranging handbook will be a valuable reference for scholars and students in all areas of African linguistics and anthropology and for anyone interested in descriptive documentary typological and comparative linguistics *Historical Archaeology in Africa* Peter R. Schmidt, 2006-08-11 Historical Archaeology in Africa is an inquiry into historical questions that count proposing different ways of thinking about historical archaeology Peter Schmidt challenges readers to expand their horizons Confronting topics of oral traditions the role of cultural landscapes in social memory and historical misrepresentations of various cultures Schmidt calls for a new pathway to an enriched more nuanced and more inclusive historical archaeology Allowing Africa to speak for itself without colonial interpreters Historical Archaeology in Africa will be of interest not only to historians and archaeologists but to all concerned with Africa's past and present Speaking with Substance Kathryn M. de Luna, Jeffrey B. Fleisher, 2018-06-27 This volume proposes a supplemental approach to interdisciplinary historical reconstructions that draw on archaeological and linguistic data The introduction lays out the supplemental approach situating it in the broader context of similar interdisciplinary research methods in other world regions Reflecting the arguments of the volume and its goal to document the process rather than the outcome of interdisciplinary collaboration the volume is organized into two two chapter case studies Within each case study the non specialist develops an historical interpretation using their own research

findings and published data from the other discipline This chapter is followed by critical commentary from the specialist a dialogue clarifying the commentary and specialists methods and a second short historical interpretation that deploys insights from the supplemental approach The conclusion reflects on the challenges of disciplinary conventions to interdisciplinary research and the contribution of the supplemental approach to efforts to know the history of oral societies in Africa and beyond

The Prehistory of Home Jerry D. Moore, 2012-04-18 Many animals build shelters but only humans build homes No other species creates such a variety of dwellings Drawing examples from across the archaeological record and around the world archaeologist Jerry D Moore recounts the cultural development of the uniquely human imperative to maintain domestic dwellings He shows how our houses allow us to physically adapt to the environment and conceptually order the cosmos and explains how we fabricate dwellings and in the process construct our lives The Prehistory of Home points out how houses function as symbols of equality or proclaim the social divides between people and how they shield us not only from the elements but increasingly from inchoate fear
